Employee Perks Done Right.

A Great Discount Program Made Easy

Create a win-win for you and your employees. Because we know when they're happy, you're happy. We'll help you communicate the program and customize it to fit your needs and align with your goals.

“

The partnership with PerkSpot has benefited all Walgreens team members beyond our expectations. Their website is easy to navigate to find great deals and perks. Plus the marketing materials provided by the PerkSpot team help notify our team members of all the great discounts and deals they are eligible to take advantage of.
