

How to add dependents to your HealthiestYou account using the mobile app.

1. Open the "HealthiestYou" app and select the icon in the upper right hand corner.
2. Select "Family". The app will show display the names of anyone listed on your account.
3. Select "Add a Family member" to add a Spouse/Dependent that is not listed.
4. Complete the required fields. Once saved, your Spouse/Dependent will now be able to register their own mobile app profile.

Spouses and dependents over the age of 18, must register their own account using a separate email.

NOTE: Any Spouse/Dependent that is added, will need to wait 24 hours to become effective.
