

Diversity & Inclusion Benefits – Legal Resources to Meet Your Needs

Legal Insurance

Legal is everywhere — from the everyday to the once in a lifetime. Whether you're buying a home, getting married or working on a will, legal insurance from ARAG® can help LGBTQ+ individuals in ways specific to their needs.

When you face a legal matter, or just have a question, network attorneys are available either over the phone, virtually or in person. The plan pays 100% of the network attorney fees for most covered matters – which could lead to thousands in savings.¹ Some of the following coverages are available:

- **Domestic Partnership Agreement:** Legal services for the preparation of your domestic partnership agreement.
- **Funeral Directive:** Legal services for you to prepare a funeral directive.
- **Gender Identifier Change:** Legal services for you to change your gender identifier on government-issued documents.
- **Hospital Visitation Authorization:** Legal services for you to prepare a hospital visitation authorization.
- **Name change:** Legal services for you to legally change your name.
- **Prenuptial/postnuptial agreements:** Legal services for you to prepare a premarital or antenuptial agreement.
- **Contested and uncontested adoption:** Legal services for you to become an adoptive parent.
- **Estate planning:** Legal services to prepare a will, living will and power of attorney.

Reduced Fee Services

If your legal matter is not fully covered under your insurance policy and is not listed under the “Exclusions” in your legal insurance plan, you are eligible to work with a network attorney and receive a reduced fee that will be at least 25% off the attorney's normal hourly rate. This could include matters such as:

- Child care authorization documents
- Surrogacy agreement preparation
- Discrimination issues²
