

# It's time for care on your terms.

Paytient is the new way to pay for your medical, dental, vision, pharmacy, and veterinary expenses over time.

Scan to access your Paytient account today!

## Pay over time - for free

You choose the repayment plan that works for your family's budget. No interest. No fees. No, really.

## Grow your HSA

Keep contributing to your HSA and let that Triple Tax Advantage work for you.

## For your family

Even if your family member isn't covered under your health insurance, you can pay for their care with Paytient.

## Planned

Turn an unexpected out-of-pocket medical expense into a planned, and affordable repayment plan.

## We are here for you

Our support team is just a tap away. In-App support is available if you ever have a question, concern, or need to make a change.

## How it works

### Swipe

Swipe or tap your Paytient card to pay for any out-of-pocket health expense.

### Click

Click the notification that appears on your smartphone.

### Split

Split that transaction into an easy, payroll-deducted repayment plan.
