

Get Direct Access to Care MountainStar Facilities

Healthcare is more accessible and convenient all along the Wasatch Front with MountainStar.

Make the most of your provider options

One of the advantages of your health plan administered by Imagine360 is that you have direct access to MountainStar facilities. MountainStar works to make healthcare more accessible and convenient all along the Wasatch Front. They are committed to excellence while taking care of patients and their families.

When you choose a MountainStar facility, you receive a patient-centered approach to caregiving. Their providers and support staff focus on respecting people as individuals and providing exceptional medical options and support at all times.

For these reasons and more, choose MountainStar Healthcare facilities when you need care. To learn more about available services, visit mountainstar.com.
