Frequently asked questions

How does a PPO work?

PPO stands for Participating Provider Organization. With a dental PPO plan, dental providers agree to participate in a dental network by offering discounted fees on most dental procedures. When you visit a provider in the network, you could see lower out-of-pocket costs because providers in the network agree to these pre-negotiated discounted fees on eligible claims.

How do I find a dentist?

Simply visit www.sunlife.com/findadentist. Follow the prompts to find a dentist in your area who participates in the PPO network. You do not need to select a dentist in advance. The PPO network for your plan is the Sun Life Dental Network® with 130,000+ unique dentists³.

Do I have to choose a dentist in the PPO network?

No. You can visit any licensed dentist for services. However, you could see lower out-of-pocket costs when you visit a dentist in the network.

Are my dependents eligible for coverage?

Yes. Your plan offers coverage for your spouse⁴ and dependent children. An eligible child is defined as a child to age 26.⁵

What if I have already started dental work, like a root canal or braces, that requires several visits?

Your coverage with us may handle these procedures differently than your prior plan. To ensure a smooth transition for work in progress, call our dental claims experts before your next visit at 800-442-7742.

Do I have to file the claim?

Many dentists will file claims for you. If a dentist will not file your claim, simply ask your dentist to complete a standard American Dental Association (ADA) claim form and mail it to:

Sun Life
P.O. Box 2940
Clinton, IA 52733

Do I have to file the claim?

No. You will not need to file a claim for a plan dentist or plan specialist.

Frequently asked questions

What is my AD&D benefit?

We will pay your beneficiaries an Accidental Death insurance amount that matches your Voluntary Life, if you die from a covered accident. Additional benefits are available for accidental injuries (i.e., dismemberment) such as loss of limbs, fingers or sight. Refer to your Certificate for a full list of covered accidental injuries. This plan includes AD&D coverage for your dependents.

Do I need to answer any health questions to enroll?

Yes, if you request an amount higher than the Guaranteed Issue amount. You may need to complete health questions if you don't elect coverage when it's first available to you and you want to elect at a later date, or if you want to increase coverage. To answer health questions, please fill out our Evidence of Insurability application. Health questions must be approved by Sun Life before coverage takes effect. Please see your Certificate for details.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

Can I access my life insurance if I become terminally ill?

You may apply to receive a portion of your life insurance to help cover medical and living expenses. This is called an "Accelerated Benefit" and there are some important things to know about it, including that it is not long-term-care insurance, it may be taxable and it may affect your eligibility for public assistance programs. It will also reduce the total amount of the life insurance payment we pay to your beneficiary(ies).

What happens if I become Totally Disabled?

If we determine that you are Totally Disabled and cannot work, your life insurance coverage may continue at no cost. You must meet certain requirements, as detailed in the Certificate.

How does my beneficiary file a death claim?

Your beneficiary(ies) and your employer will complete the appropriate claims forms and submit them to us. We will notify your beneficiaries when the decision is made and if we have any questions. If approved, beneficiaries may elect to receive a lump sum payment or to have the benefit paid into an account where the funds accumulate interest and can be withdrawn at any time. (State restrictions apply and options may vary by state.) If your AD&D claim for an accidental injury is approved, the benefit amount will be paid directly to you.

Frequently asked questions

Do I need to answer any health questions to enroll?

If you contribute to the cost of your insurance, you may need to complete health questions if you don't elect coverage when it's first available to you and you want to elect at a later date, or if you want to increase coverage. To answer health questions, please fill out our Evidence of Insurability Application. Health questions must be approved by Sun Life before coverage takes effect. Please see your Certificate for details.

How do I file a Short-Term Disability claim?

If you become disabled after the effective date of coverage, check with your employer to make sure you are eligible for benefits. You can file a claim with us by downloading forms from our website. We'll ask you and your doctor to provide information about your medical condition and your expected recovery.

How do I qualify for benefits?

You'll start receiving disability payments if you satisfy the Elimination Period (see "When benefits begin" in the table) and meet the policy's definition of disability. Generally, disability is defined as your inability to perform some or all of your job duties due to your injury, illness or pregnancy and may require that you have also had a certain percentage of earnings loss due to your disability. Please see your Certificate for details.

What if I have a pre-existing condition?

If you become disabled within 12 months of your insurance taking effect or 12 months following any increase in your amount of insurance, we will not pay any benefit for any pre-existing condition. A pre-existing condition includes anything you have sought treatment for in the 3 months prior to your insurance becoming effective. Treatment can include consultation, advice, care, services or a prescription for

drugs or medicine.

Can I work while I'm disabled?

Your plan is designed to encourage and support your return to work. If you are able to work part-time, for example, you may receive part of your benefit while working.

Will income from other sources affect my benefit?

Your benefit may be reduced by Social Security benefits; disability benefits from retirement, government plans or state disability income such as California SDI; state paid family and medical leaves; other group disability plans; no-fault benefits, salary continuance or sick leave; and return-to-work earnings. For more information or to determine if this coverage is appropriate for you, contact your benefits administrator.

How is my benefit taxed?

If you or your employer pays for all or part of the cost of coverage on a pre-tax basis, all or part of your benefit amount will be Form W-2 taxable income. In these situations, FICA tax deductions may reduce the amount we will pay you.

The group disability insurance policies described in this advertisement provide disability income insurance only.

Evidence of Insurability

Frequently asked questions

What is Evidence of Insurability?

Your group insurance policy may require Evidence of Insurability (EOI) for you and your dependents. Evidence of Insurability is a statement, or proof, of an employee's or dependent's medical history. We use it to determine whether or not we will provide the benefit you are requesting.

What is the EOI application?

The EOI application is an application on which you and/or your dependent(s) answer "yes" or "no" to questions concerning certain medical conditions. If you answer "yes" to any question(s), you are required to provide specific details of the condition, such as pertinent dates, treatments, and names of physicians. In some cases, a paramedical examination may also be required.

When do I need to submit an EOI application?

You may need to submit an EOI application, if you:

- apply for a coverage amount above the Guaranteed Issue amount,
- declined coverage for yourself or your dependent(s) within the initial eligibility period and are now applying for coverage, or
- enroll yourself or your dependent(s) and then subsequently elect to increase coverage.

Please refer to your benefit highlights page for complete information specific to your plan.

What is the process for submitting an EOI application?

To be considered for coverage, you must complete an EOI application, either online or on paper.

Submit your medical information online

It's the quick, easy, and smart way to submit EOI. And it's completely secure and confidential.

1. Have the following information ready:

- Your group policy number, location, and the amount of coverage for yourself and any dependents who require EOI, and
- Height, weight, and recent medical history for you and any dependents.

2. Go to www.sunlife.com/account

- Under *My Benefits*, select a coverage
- On the right hand side, click on *Submit Evidence of Insurability (EOI)*, follow the instructions, review your answers, and sign your application electronically before you submit. You will receive an official acknowledgment that Sun Life has received your EOI application. If you are approved, you may receive an approval e-mail that same day.

Submit your medical information on paper

If you need a paper application, you can access a printable version at www.sunlife.com/account.

- Click *Where can I find a form?*
- From list of forms, select EOI Application

After Sun Life receives and processes your EOI application, you will receive either a final decision or pending notification. If your application is pending, you may be contacted to schedule a medical exam (at Sun Life's expense). Coverage subject to EOI will not go into effect until Sun Life approves your application in writing.

How long does the approval process take?

As soon as we have received a completed online EOI application and as soon as the coverage amount is certified by your employer, often we can issue an approval within minutes and notify you or your employer via our online system or e-mail. For paper applications and applications that require review by a member of our medical underwriting team, the process usually takes five to seven business days. This time range is contingent on you returning a complete EOI application and our ability to obtain the necessary health information.

How will I be notified if I am approved?

If you submit your EOI application online and are approved right away, you will receive an e-mail. If you submit your EOI application via fax or mail, a letter will be sent to your home notifying you of the approval.

How will I be notified if I am denied?

If you are denied the requested coverage, a letter is sent to your home. This letter outlines why you were denied and gives you instructions on how you can appeal the decision.

When does my coverage take effect?

Coverage is effective on the later of the date Sun Life approves your application in writing or the date your coverage is effective under your employer's group insurance policy, provided that you or your dependent(s) are eligible under the group policy.

About privacy and security

In accordance with Sun Life's strict privacy practices, your answers to the Health History portion of the EOI application are completely confidential. Sun Life never shows them to your employer. Also, we do not share your e-mail address or other personal information with any third parties except as permitted or required by law. The website includes state-of-the-art security; any information entered is encrypted and transmitted using Secure Sockets Layer (SSL) technology.

These instructions on how to submit an Evidence of Insurability form apply only to life and disability policies.
