Group Hospital Insurance

How does it work?

Group Hospital Insurance helps covered employees and their families cope with the financial impacts of a hospitalization. You can receive benefits when you're admitted to the hospital for a covered accident, illness or childbirth.

Why is this coverage so valuable?

- You may take the coverage with you if you leave the company or retire, without having to answer new health questions. You'll be billed directly.
- Wellness Benefit: Based on your plan this benefit can pay \$50 per calendar year per insured individual if a covered health screening test is performed, including blood tests, chest X-rays, stress tests, mammograms, and colonoscopies.
- A full list of covered tests will be provided in your certificate.

Group Hospital Insurance can pay benefits that help you with the costs of a covered hospital visit.

Who can get coverage?

You:	If you're actively at work.
Your spouse:	Ages 17 and up
Your child(ren):	Dependent children until their 26th birthday, regardless of marital or student status.

How much does it cost?

Your monthly premium	
You	\$15.25
You and your spouse	\$33.09
You and your children	\$21.57
Family	\$39.41

For illustrative purposes only. Actual cost may vary. Coverage becomes effective on the first day of the month in which payroll deductions begin.

What's Included?

- \$1,000 for each covered hospital admission - once per year
- \$100 for each day of your covered hospital stay, up to 60 days per year
- \$200 for each day you spend in intensive care, up to 15 days per year
