**There are more than just medical bills to pay after a heart attack, stroke, or other unexpected covered medical condition. Critical Illness Insurance provides a benefit payment that can help.**

This document includes expanded cost and benefit information for Critical Illness Insurance. As you explore, keep in mind:

Coverage is always  
Guaranteed Issue.

Employees get an annual  
Wellness Benefit of \$100 for  
completing an eligible health  
screening test.

Benefit payments go directly  
to you. Use them however  
you'd like!

Critical Illness Insurance pays a lump-sum benefit if you are diagnosed with a covered illness or condition on or after your coverage effective date. Critical Illness Insurance doesn't replace your medical coverage; instead, it complements it. **The benefit payments don't go out to pay for medical bills or treatments you may need, instead they come in—directly to you—to be used however you'd like.** Choose this supplemental health insurance product to help lessen the financial impact of a covered illness.

Critical Illness Insurance is a limited benefit policy. It is not health insurance, and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
