What is not covered

This insurance does not apply to any Accident, Accidental Bodily Injury or Loss caused by or resulting from:

◆ suicide, attempted suicide or intentionally self-inflicted injury ◆ war or any act of war, whether declared or not (unless War Risk is covered under the Policy) ◆ a Covered Accident that occurs while on active duty service in the military with the armed forces of any country or established international authority ◆ emotional trauma, mental or physical illness, disease, pregnancy, childbirth or miscarriage, bacterial or viral infection, bodily malfunctions or medical or surgical treatment thereof ◆ being in, entering, or exiting any aircraft owned, leased or operated by, or on behalf, of the Policyholder, or any aircraft operated by an employee of the Policyholder on the Policyholder's behalf ◆ being in, entering, or exiting any aircraft while acting or training as a pilot or crew member ◆ traveling or flying on any aircraft engaged in Specialized Aviation Activities

This insurance does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit Us from providing insurance, including, but not limited to, the payment of claims.

How to file a claim

You will need to submit a completed claim form for any covered accident or eligible expense in order to receive reimbursement under the policy. If you have suffered a covered loss or incurred a covered expense, please contact your Benefits Administrator for the appropriate claim form. The instructions for the claim form will detail any supporting documentation you will need to submit with your claim.

How can I ensure the timely processing of my claim?

Be sure to provide the requested documentation when submitting a claim. Also, be sure to provide a diagnosis or suitable explanation for the loss you are claiming. When receiving care from doctors outside of the United States, an explanation of the occurrence may help to clarify your claim and help to facilitate the claim process.

What if there is an emergency while I am traveling?

In an emergency call AXA Assistance right away. Your membership entitles you to help with arranging medical transportation or care; coordinating medical fees, when approved; monitoring your condition; evacuating you to a center of medical excellence if local care is inadequate; and providing help if your safety is at risk. You may also contact AXA Assistance if you need health, safety or security advice or if you need to find a local doctor or other medical provider. For more information, or to contact AXA Assistance, please refer to your ID card.

What information will I need to provide if I call for travel assistance services?

Please be prepared to identify yourself as a member of Maxar Technologies. AXA Assistance will coordinate service authorization with your employer and will coordinate the claim submission process with your Insurer if they incur approved covered expenses.

What if a physician or hospital insists I pay the bill myself?

For non-emergency charges and expenses, providers may ask you to pay the bill yourself using cash or a credit card. You may submit these charges with a claim form and payment receipts for reimbursement by your local claim office. In an emergency situation, contact AXA Assistance immediately to see if a guaranty of payment may be arranged.
