| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | In-network: \$6,000/individual or \$12,000/family Out-of-network: \$12,000/individual or \$24,000/family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 35% <u>in-network</u> and 50% <u>out-of-network</u> . |
| Are there services covered before you meet your deductible?          | Yes.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of covered <u>preventive</u> <u>services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other <u>deductibles</u> for specific services?            | No.  | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In-network: \$8,000/individual or \$16,000/family Out-of-network: \$16,000/individual or \$32,000/family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, copays, access fees, out-of-<br>network prior authorization charges,<br>balance-bills, costs for health care this<br>plan doesn't cover, coinsurance for<br>medical foods and coinsurance for<br>portions of stays in some inpatient<br>facilities | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |

| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| Will you pay less if you use a <u>network provider</u> ?   | Yes. See www.azblue.com or call 1-877-475-8440 for a list of in-network providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
