Summary Plan Description

January 1, 2023

Important Notice Under Federal Health Care Reform

Kaiser Foundation Health Plan of Washington (“KFHPWA”) recommends each Member choose a Network Personal Physician. This decision is important since the designated Network Personal Physician provides or arranges for most of the Member’s health care. The Member has the right to designate any Network Personal Physician who participates in one of the KFHPWA networks and who is available to accept the Member or the Member’s family members. For information on how to select a Network Personal Physician, and for a list of the participating Network Personal Physicians, please call Kaiser Permanente Member Services at (206) 630-4636 in the Seattle area, or toll-free in Washington, 1-888-901-4636.

For children, the Member may designate a pediatrician as the primary care provider.

The Member does not need Preauthorization from KFHPWA or from any other person (including a Network Personal Physician) to access obstetrical or gynecological care from a health care professional in the KFHPWA network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining Preauthorization for certain services, following a pre-approved treatment plan, or procedures for obtaining Preauthorization. For a list of participating health care professionals who specialize in obstetrics or gynecology, please call Kaiser Permanente Member Services at (206) 630-4636 in the Seattle area, or toll-free in Washington, 1-888-901-4636.

For More Information

KFHPWA will provide the information regarding the types of plans offered by KFHPWA to Members on request. Please call Kaiser Permanente Member Services at (206) 630-4636 in the Seattle area, or toll-free in Washington, 1-888-901-4636.

I. Introduction

Note: This is a Health Savings Account (HSA) Qualified Health Plan. The health plan meets all of the requirements to be used in conjunction with a Member-initiated Health Savings Account. The provisions of the Summary Plan Description (“SPD”) do not override, or take the place of, any regulatory requirements for Health Savings Accounts. Participation in a health savings account is not a requirement for enrollment or continued eligibility. Kaiser Foundation Health Plan of Washington (“KFHPWA”) is not a trustee, administrator or fiduciary of any Health Savings Account which may be used in conjunction with the SPD. Please contact the Health Savings Account trustee or administrator regarding questions about requirements for Health Savings Accounts.

This booklet includes information about medical benefits available under the Trident Seafood Corp’s Group Health Plan (“Plan”) to eligible staff and their family members and serves as the SPD for medical, pharmacy and optical benefits.

II. Medical Plan

Trident Seafood Corp’s Group Health Plan is designed to provide health benefits for Trident Seafood Corp’s employees and their eligible family members. Questions about eligibility for health coverage can be answered by Trident Seafood Corp.

This document describes the health benefits offered under the Plan. The health benefits are administered by Kaiser Foundation Health Plan Washington (KFHPWA). If you have questions regarding your coverage or how benefits have been paid, KFHPWA encourages you to contact Kaiser Permanente Member Services at 206-630-4636 or toll free 888-901-4636.

Please take the time to become familiar with the benefits that the Plan offers. Many terms used in this booklet have specific meanings that are defined in the Definitions section.

III. Eligibility, Enrollment and Termination

Note: If a Subscriber enrolls any eligible Dependent(s), the family level annual Deductible must be met before any benefits will be provided and the family level Out-of-pocket Maximum will apply.

A. Eligibility.

In order to be accepted for enrollment and continuing coverage, individuals must meet any eligibility requirements imposed by the Plan Administrator, reside or work in the Service Area and meet all applicable requirements set forth below, except for temporary residency outside the Service Area for purposes of attending school, court-ordered coverage for Dependents or other unique family arrangements, when approved in advance by the Plan Administrator. KFHPWA has the right to verify eligibility.

1. Employees.

To be a subscriber under this plan, an employee must meet all of the following requirements:

- Be a regular and active employee, owner, partner, or corporate officer of the Group who is paid on a regular basis through the Group’s payroll system, and reported by the Group for Social Security purposes.
- Regularly work a minimum of 30 hours per week.
- Be a Trident Board member, the lawful spouse of a Trident board member whether or not the board member chooses group coverage, or a board member of an entity that Trident has 90% of ownership in. Trident board members who choose to cover themselves under Medicare or another health plan rather than Trident’s group plan can continue their spouse’s coverage under Trident’s plan until the spouse turns age 65. Spouses of board members who pass away can remain on Trident’s plan until the spouse turns age 65.

2. Dependents.

The employee may also enroll the following:

- a. The employee's legal spouse.
- b. The employee's state-registered domestic partner (as required by Washington state law) or if specifically included as eligible by the Plan Administrator, the employee's non-state registered domestic partner.
- c. Children who are under the age of 26.

"Children" means the children of the employee, spouse or eligible domestic partner, including adopted children, stepchildren, children for whom the employee has a qualified court order to provide coverage and any other children for whom the employee is the legal guardian.

Eligibility may be extended past the Dependent's limiting age as set forth above if the Dependent is totally incapable of self-sustaining employment because of a developmental or physical disability incurred prior to attainment of the limiting age, and is chiefly dependent upon the employee for support and maintenance. Enrollment for such a Dependent may be continued for the duration of the continuous total incapacity, provided enrollment does not terminate for any other reason. Medical proof of incapacity and proof of financial dependency must be furnished to KFHPWA upon request, but not more frequently than annually after the 2 year period following the Dependent's attainment of the limiting age.

3. Temporary Coverage for Newborns.

When a Member gives birth, the newborn is entitled to the benefits set forth in the SPD from birth through 30 days of age. All provisions, limitations and exclusions will apply except Subsections E. and F. After 30 days of age, no benefits are available unless the newborn child qualifies as a Dependent and is enrolled.

B. Application for Enrollment.

Application for enrollment must be completed on or before the effective date of coverage. The Plan Administrator is responsible for submitting completed applications to KFHPWA.

KFHPWA reserves the right to refuse enrollment to any person whose coverage under any plan issued by Kaiser Foundation Health Plan of Washington Options, Inc. or Kaiser Foundation Health Plan of Washington has been terminated for cause.

1. Newly Eligible Employees.

Newly eligible employees and their Dependents may apply for enrollment in writing to the Plan Administrator within 31 days of becoming eligible.

2. New Dependents.

A written application for enrollment of a newly dependent person, other than a newborn or adopted child, must be made to the Plan Administrator within 31 days after the dependency occurs.

A written application for enrollment of a newborn child must be made to the Plan Administrator within 60 days following the date of birth.

A written application for enrollment of an adoptive child must be made to the Plan Administrator within 60 days from the day the child is placed with the employee for the purpose of adoption or the employee assumes total or partial financial support of the child.

3. Open Enrollment.

KFHPWA will allow enrollment of employees and Dependents who did not enroll when newly eligible as described above during a limited period of time specified by the Plan Administrator and KFHPWA.

4. Special Enrollment.

- a. KFHPWA will allow special enrollment for persons:
- 1) Who initially declined enrollment when otherwise eligible because such persons had other health care coverage and have had such other coverage terminated due to one of the following events:
 - Cessation of employer contributions.
 - Exhaustion of COBRA continuation coverage.
 - Loss of eligibility, except for loss of eligibility for cause.
 - 2) Who initially declined enrollment when otherwise eligible because such persons had other health care coverage and who have had such other coverage exhausted because such person reached a lifetime maximum limit.

KFHPWA or the Plan Administrator may require confirmation that when initially offered coverage such persons submitted a written statement declining because of other coverage. Application for coverage must be made within 31 days of the termination of previous coverage.

- b. KFHPWA will allow special enrollment for individuals who are eligible to be a Subscriber and their Dependents (other than for nonpayment or fraud) in the event one of the following occurs:
- 1) Divorce or Legal Separation. Application for coverage must be made within 60 days of the divorce/separation.
 - 2) Cessation of Dependent status (reaches maximum age). Application for coverage must be made within 30 days of the cessation of Dependent status.
 - 3) Death of an employee under whose coverage they were a Dependent. Application for coverage must be made within 30 days of the death of an employee.
 - 4) Termination or reduction in the number of hours worked. Application for coverage must be made within 30 days of the termination or reduction in number of hours worked.
 - 5) Leaving the service area of a former plan. Application for coverage must be made within 30 days of leaving the service area of a former plan.
 - 6) Discontinuation of a former plan. Application for coverage must be made within 30 days of the discontinuation of a former plan.
- c. KFHPWA will allow special enrollment for individuals who are eligible to be an employee and their Dependents in the event one of the following occurs:
- 1) Marriage. Application for coverage must be made within 31 days of the date of marriage.
 - 2) Birth. Application for coverage for the employee and Dependents other than the newborn child must be made within 60 days of the date of birth.
 - 3) Adoption or placement for adoption. Application for coverage for the employee and Dependents other than the adopted child must be made within 60 days of the adoption or placement for adoption.
 - 4) Eligibility for premium assistance from Medicaid or a state Children's Health Insurance Program (CHIP), provided such person is otherwise eligible for coverage under this Plan. The request for special enrollment must be made within 60 days of eligibility for such premium assistance.
 - 5) Coverage under a Medicaid or CHIP plan is terminated as a result of loss of eligibility for such coverage. Application for coverage must be made within 60 days of the date of termination under Medicaid or CHIP.
 - 6) Applicable federal or state law or regulation otherwise provides for special enrollment.

C. When Coverage Begins.

1. Effective Date of Enrollment.

- Enrollment for a newly eligible employee and listed Dependents is effective on the 1st of the month following or coincident with the date of hire.
- Enrollment for seasonal employees with more than 6 months of seasonal employment in a 12 month measurement period is effective on the 1st of the month following their 6th month of seasonal employment.

- Enrollment for part-time employees who become full-time employees is effective retroactive to the original date of hire.
- Enrollment for employees who have been rehired within 1 year of termination is effective on the 1st of the month following the date of hire if benefit eligible at the time of termination.
- Enrollment for a newly dependent person, other than a newborn or adoptive child, is effective on the 1st of the month following the date eligibility requirements are met.
- Enrollment for newborns is effective from the date of birth.
- Enrollment for adoptive children is effective from the date that the adoptive child is placed with the employee for the purpose of adoption and the employee assumes total or partial financial support of the child.

2. Commencement of Benefits for Persons Hospitalized on Effective Date.

Members who are admitted to an inpatient facility prior to their enrollment will receive covered benefits beginning on their effective date, as set forth in Subsection C.1. above. If a Member is hospitalized in a non-Network Facility, KFHPWA reserves the right to require transfer of the Member to a Network Facility. The Member will be transferred when a Network Provider, in consultation with the attending physician, determines that the Member is medically stable to do so. If the Member refuses to transfer to a Network Facility, all further costs incurred during the hospitalization are the responsibility of the Member.

D. Termination of Coverage.

The employee shall be liable for payment of all charges for services and items provided to the employee and all Dependents after the effective date of termination.

Termination of Specific Members.

Individual Member coverage may be terminated for any of the following reasons:

- a. **Loss of Eligibility.** If a Member no longer meets the eligibility requirements and is not enrolled for continuation coverage as described in Subsection F. below, coverage will terminate at the end of the month during which the loss of eligibility occurs, unless otherwise specified by the Plan Administrator.
- b. **For Cause.** In the event of termination for cause, KFHPWA reserves the right to pursue all civil remedies allowable under federal and state law for the collection of claims, losses or other damages. Coverage of a Member may be terminated upon 10 working days written notice for:
 - 1.) Material misrepresentation, fraud or omission of information in order to obtain coverage.
 - 2.) Permitting the use of a KFHPWA identification card or number by another person, or using another Member's identification card or number to obtain care to which a person is not entitled.

Individual Member coverage may be retroactively terminated upon 30 days written notice and only in the case of fraud or intentional misrepresentation of a material fact; or as otherwise allowed under applicable law or regulation.

In no event will a Member be terminated solely on the basis of their physical or mental condition provided they meet all other eligibility requirements set forth in the Plan.

Any Member may appeal a termination decision through KFHPWA's appeals process.

E. Continuation of Coverage Options.

1. Leave of Absence.

While on an employer approved leave of absence, the employee and listed Dependents can continue to be covered provided that:

- They remain eligible for coverage, as set forth in Subsection A.,
- Such leave is in compliance with the employer's established leave of absence policy that is consistently applied to all employees,

- The employer's leave of absence policy is in compliance with the Family and Medical Leave Act when applicable.
- Coverage for a subscriber and enrolled dependents may be continued for up to six additional months after an employee has exhausted their FMLA.

2. Self-Payments During Labor Disputes.

In the event of suspension or termination of employee compensation due to a strike, lock-out or other labor dispute, an employee may continue uninterrupted coverage through self-payment directly to the employer. Coverage may be continued for the lesser of the term of the strike, lock-out or other labor dispute, or for 6 months after the cessation of work.

If coverage under the Plan is no longer available, the employee shall have the opportunity to apply for an individual and family plan at the duly approved rates.

The employer is responsible for immediately notifying each affected employee of their rights of self-payment under this provision.

3. Continuation Coverage Under Federal Law.

Upon loss of eligibility, continuation of group coverage may be available to a Member for a limited time after the Member would otherwise lose eligibility, if required by Consolidated Omnibus Budget Reconciliation Act (COBRA) or the Uniformed Services Employment and Reemployment Rights Act (USERRA) and only applies to grant continuation of coverage rights to the extent required by federal law. USERRA only applies in certain situations to employees who are leaving employment to serve in the United States Armed Forces. The employer shall inform Members of the COBRA election process and how much the Member will be required to pay directly to the employer.

Continuation coverage under COBRA or USERRA will terminate when a Member becomes covered by Medicare or obtains other group coverage, and as set forth under Subsection D.

F. Qualified Medical Child Support Orders (QMCSOs).

Members and Dependents can obtain, without charge, a copy of the Plan's procedures on QMCSOs from the Priscilla Robles, HR Benefits Assistant, probles@tridentseafoods.com, PH: 206-297-6436, FX: 206-297-5878, 5303 Shilshole Ave N.W., Seattle, WA 98107-4000.

G. Cafeteria Plan Rules.

For eligible programs, employees may make pre-tax salary elections to pay for benefits through the employer-provided cafeteria plan. For more information please see Trident Seafood Corp.

IV. How Covered Services Work

KFHPWA is contracted by Trident Seafood Corp to perform health plan administrative services and to arrange for the delivery of health care services only and does not assume any financial risk or obligation with respect to claims.

Read This SPD Carefully

This SPD is a statement of benefits, exclusions and other provisions of the Plan.

A full description of benefits, exclusions, limits and Out-of-Pocket Expenses can be found in the Benefits Details section and the General Exclusions. These sections must be considered together to fully understand the benefits available under the Plan. Words with special meaning are capitalized. They are defined in the Definitions section.

A. Accessing Care.

1. Members are entitled to Covered Services from the following:

Your Provider Network is KFHPWA's Core Network (Network). Members are entitled to Covered Services only at Network Facilities and from Network Providers, except for Emergency services and care pursuant to a Preauthorization.

Benefits under this SPD will not be denied for any health care service performed by a registered nurse licensed to practice under chapter 18.88 RCW, if first, the service performed was within the lawful scope of such nurse's license, and second, this SPD would have provided benefit if such service had been performed by a Doctor of Medicine licensed to practice under chapter 18.71 RCW.

A listing of Core Network Personal Physicians, specialists, women's health care providers and KFHPWA-designated Specialists is available by contacting Member Services or accessing the KFHPWA website at www.kp.org/wa. Information available online includes each physician's location, education, credentials, and specialties. KFHPWA also utilizes Health Care Benefit Managers for certain services. To see a list of Health Care Benefit Managers, go to <https://healthy.kaiserpermanente.org/washington/support/forms> and click on the "Evidence of coverage" link.

Receiving Care in another Kaiser Foundation Health Plan Service Area

If you are visiting in the service area of another Kaiser Permanente region, visiting member services may be available from designated providers in that region if the services would have been covered under this SPD. Visiting member services are subject to the provisions set forth in this SPD including, but not limited to, Preauthorization and cost sharing. For more information about receiving visiting member services in other Kaiser Permanente regional health plan service areas, including provider and facility locations, please call Kaiser Permanente Member Services at (206) 630-4636 in the Seattle area, or toll-free in Washington, 1-888-901-4636. Information is also available online at www.wa.kaiserpermanente.org/html/public/services/traveling.

2. Primary Care Provider Services.

KFHPWA recommends that Members select a Network Personal Physician when enrolling. One personal physician may be selected for an entire family, or a different personal physician may be selected for each family member. For information on how to select or change Network Personal Physicians, and for a list of participating personal physicians, call Kaiser Permanente Member Services at (206) 630-4636 in the Seattle area, or toll-free in Washington at 1-888-901-4636 or by accessing the KFHPWA website at www.kp.org/wa. The change will be made within 24 hours of the receipt of the request if the selected physician's caseload permits. If a personal physician accepting new Members is not available in your area, contact Kaiser Permanente Member Services, who will ensure you have access to a personal physician by contacting a physician's office to request they accept new Members.

To find a personal physician, call Member Services or access the KFHPWA website at www.kp.org/wa to view physician profiles. Information available online includes each physician's location, education, credentials, and specialties.

For your personal physician, choose from these specialties:

- Family medicine
- Adult medicine/internal medicine
- Pediatrics/adolescent medicine (for children up to 18)

Be sure to check that the physician you are considering is accepting new patients.

If your choice does not feel right after a few visits, you can change your personal physician at any time, for any reason. If you don't choose a physician when you first become a KFHPWA member, we will match you with a physician to make sure you have one assigned to you if you get sick or injured.

In the case that the Member's personal physician no longer participates in KFHPWA's network, the Member will be provided access to the personal physician for up to 60 days following a written notice offering the Member a selection of new personal physicians from which to choose.

3. Specialty Care Provider Services.

Unless otherwise indicated, Preauthorization is required for specialty care and specialists that are not KFHPWA-designated Specialists and are not providing care at facilities owned and operated by Kaiser Permanente.

KFHPWA-designated Specialist.

Preauthorization is not required for services with KFHPWA-designated Specialists at facilities owned and operated by Kaiser Permanente. To access a KFHPWA-designated Specialist, consult your KFHPWA personal physician. For a list of KFHPWA-designated Specialists, contact Member Services or view the Provider Directory located at www.kp.org/wa. The following specialty care areas are available from KFHPWA-designated Specialists: allergy, audiology, cardiology, chiropractic/manipulative therapy, dermatology, gastroenterology, general surgery, hospice, mental health and wellness, nephrology, neurology, obstetrics and gynecology, occupational medicine, oncology/hematology, ophthalmology, optometry, orthopedics, otolaryngology (ear, nose and throat), physical therapy, smoking cessation, speech/language and learning services, substance use disorder, and urology.

4. Hospital Services.

Non-Emergency inpatient hospital services require Preauthorization. Refer to the Benefits Details section for more information about hospital services.

5. Emergency Services.

Emergency services at a Network Facility or non-Network Facility are covered. Members must notify KFHPWA by way of the Hospital notification line (1-888-457-9516 as noted on your Member identification card) within 24 hours of any admission, or as soon thereafter as medically possible. Coverage for Emergency services at a non-Network Facility is limited to the Allowed Amount. Refer to the Benefits Details section for more information about Emergency services.

Members are covered for Emergency care and Medically Necessary urgent care anywhere in the world. If you think you are experiencing an emergency, go immediately to the nearest emergency care facility or call 911. Go to the closest urgent care center for an illness or injury that requires prompt medical attention but is not an emergency. Examples include, but are not limited to minor injuries, wounds, and cuts needing stitches; minor breathing issues; minor stomach pain. If you are unsure whether urgent care is your best option, call the consulting nurse helpline for advice at 1-800-297-6877 or 206-630-2244.

If you need Emergency care while traveling and are admitted to a non-network hospital, you or a family member must notify us within 24 hours after care begins, or as soon as is reasonably possible. Call the notification line listed on the back of your KFHPWA Member ID card to help make sure your claim is accepted. Keep receipts and other paperwork from non-network care. You'll need to submit them with any claims for reimbursement after returning from travel.

Access to non-Emergency care across the Core network service area: your Plan provides access to all providers in the Core Network, including many physicians and services at Kaiser Permanente medical facilities and Core Network facilities across the state. Find links to providers at kp.org/wa/directory or contact Member Services at 1-888-901-4636 for assistance.

6. Urgent Care.

Inside the KFHPWA Service Area, urgent care is covered at a Kaiser Permanente medical center, Kaiser Permanente urgent care center or Network Provider's office. Outside the KFHPWA Service Area, urgent care is covered at any medical facility. Refer to the Benefits Details section for more information about urgent care.

For urgent care during office hours, you can call your personal physician's office first to see if you can get a same-day appointment. If a physician is not available or it is after office hours, you may speak with a licensed care provider anytime at 1-800-297-6877 or 206-630-2244. You may also check kp.org/wa/directory or call Member Services to find the nearest urgent care facility in your network.

7. Women's Health Care Direct Access Providers.

Female Members may see a general and family practitioner, physician's assistant, gynecologist, certified nurse midwife, licensed midwife, doctor of osteopathy, pediatrician, obstetrician or advance registered nurse practitioner who is unrestricted in your KFHPWA Network to provide women's health care services directly, without Preauthorization, for Medically Necessary maternity care, covered reproductive health services, preventive services (well care) and general examinations, gynecological care and follow-up visits for the above services. Women's health care services are covered as if the Member's Network Personal Physician had been consulted, subject to any applicable Cost Shares. If the Member's women's health care provider diagnoses a condition that requires other specialists or hospitalization, the Member or the chosen provider must obtain Preauthorization in accordance with applicable KFHPWA requirements. For a list of KFHPWA providers, contact Member Services or view the Provider Directory located at www.kp.org/wa.

8. Travel Advisory Service.

Our Travel Advisory Service offers recommendations tailored to your travel outside the United States. Nurses certified in travel health will advise you on any vaccines or medications you need based on your destination, activities, and medical history. The consultation is not a covered benefit and there is a fee for a KFHPWA Member using the service for the first time. Travel-related vaccinations and medications are usually not covered. Visit kp.org/wa/travel-service for more details.

9. Process for Medical Necessity Determination.

Pre-service, concurrent or post-service reviews may be conducted. Once a service has been reviewed, additional reviews may be conducted. Members will be notified in writing when a determination has been made.

First Level Review:

First level reviews are performed or overseen by appropriate clinical staff using KFHPWA approved clinical review criteria. Data sources for the review include, but are not limited to, referral forms, admission request forms, the Member's medical record, and consultation with qualified health professionals and multidisciplinary health care team members. The clinical information used in the review may include treatment summaries, problem lists, specialty evaluations, laboratory and x-ray results, and rehabilitation service documentation. The Member or legal surrogate may be contacted for information. Coordination of care interventions are initiated as they are identified. The reviewer consults with the health care team when more clarity is needed to make an informed medical necessity decision. The reviewer may consult with a board-certified consultative specialist and such consultations will be documented in the review text. If the requested service appears to be inappropriate based on application of the review criteria, the first level reviewer requests second level review by a physician or designated health care professional.

Second Level (Practitioner) Review:

The practitioner reviews the treatment plan and discusses, when appropriate, case circumstances and management options with the attending (or referring) physician. The reviewer consults with the health care team when more clarity is needed to make an informed coverage decision. The reviewer may consult with board certified physicians from appropriate specialty areas to assist in making determinations of coverage and/or appropriateness. All such consultations will be documented in the review text. If the reviewer determines that the admission, continued stay or service requested is not a covered service, a notice of non-coverage is issued. Only a physician, behavioral health practitioner (such as a psychiatrist, doctoral-level clinical psychologist, certified addiction medicine specialist), dentist or pharmacist who has the clinical expertise appropriate to the request under review with an unrestricted license may deny coverage based on medical necessity.

B. Administration of the SPD.

KFHPWA may adopt reasonable policies and procedures to administer the Plan. This may include, but is not limited to, policies or procedures pertaining to benefit entitlement and coverage determinations.

C. Assignment.

The Member may not assign this EOC or any of the rights, interests, claims for money due, benefits, or obligations here under without prior written consent.

D. Confidentiality.

KFHPWA is required by federal and state law to maintain the privacy of Member personal and health information. KFHPWA is required to provide notice of how KFHPWA may use and disclose personal and health information held by KFHPWA. The Notice of Privacy Practices is distributed to Members and is available in Kaiser Permanente medical centers, at www.kp.org/wa, or upon request from Member Services.

E. Modification of the Plan.

No oral statement of any person shall modify or otherwise affect the benefits, limitations and exclusions of the Plan, convey or void any coverage, increase or reduce any benefits under the Plan or be used in the prosecution or defense of a claim under the Plan.

F. Nondiscrimination.

KFHPWA does not discriminate on the basis of physical or mental disabilities in its employment practices and services. KFHPWA will not refuse to enroll or terminate a Member's coverage and will not deny care on the basis of age, sex, sexual orientation, gender identity, race, color, religion, national origin, citizenship or immigration status, veteran or military status, occupation or health status.

G. Preauthorization.

Refer to the Benefits Details section or Authorizations & Clinical Review Overview | Kaiser Permanente Washington for more information regarding which services, equipment and facility types KFHPWA requires Preauthorization.

Failure to obtain Preauthorization when required may result in denial of coverage for those services; and the Member may be responsible for the cost of these non-Covered services. Members may contact Member Services to request Preauthorization.

Preauthorization requests are reviewed and approved based on Medical Necessity, eligibility and benefits. KFHPWA will generally process Preauthorization requests and provide notification for benefits within the following timeframes:

- Standard requests – within 5 calendar days
 - If insufficient information has been provided a request for additional information will be made within 5 calendar days. The provider or facility has 5 calendar days to provide the necessary information. A decision will be made within 4 calendar days of receipt of the information or the deadline for receipt of the requested information.
- Expedited requests – within 2 calendar days
 - If insufficient information has been provided a request for additional information will be made within 1 calendar day. The provider or facility has 2 calendar days to provide the necessary information. A decision will be made within 2 calendar days of receipt of the information or the deadline for receipt of the requested information.

H. Recommended Treatment.

KFHPWA's medical director will determine the necessity, nature and extent of treatment to be covered in each individual case and the judgment will be made in good faith. Members have the right to appeal coverage decisions (see Appeals section). Members have the right to participate in decisions regarding their health care. A Member may refuse any recommended services to the extent permitted by law. Members who obtain care not recommended by KFHPWA's medical director do so with the full understanding that KFHPWA has no obligation for the cost, or liability for the outcome, of such care.

New and emerging medical technologies are evaluated on an ongoing basis by the following committees – the Interregional New Technologies Committee, Medical Technology Assessment Committee, Medical Policy Committee, and Pharmacy and Therapeutics Committee. These physician evaluators consider the new technology’s benefits, whether it has been proven safe and effective, and under what conditions its use would be appropriate. The recommendations of these committees inform what is covered on KFHPWA health plans.

I. Second Opinions.

The Member may access a second opinion from a Network Provider regarding a medical diagnosis or treatment plan. The Member may request Preauthorization or may visit a KFHPWA-designated Specialist for a second opinion. When requested or indicated, second opinions are provided by Network Providers and are covered with Preauthorization, or when obtained from a KFHPWA-designated Specialist. Coverage is determined by the Member's Plan; therefore, coverage for the second opinion does not imply that the services or treatments recommended will be covered. Preauthorization for a second opinion does not imply that KFHPWA will authorize the Member to return to the physician providing the second opinion for any additional treatment. Services, drugs and devices prescribed or recommended as a result of the consultation are not covered unless included as covered under the Plan.

J. Unusual Circumstances.

In the event of unusual circumstances such as a major disaster, epidemic, military action, civil disorder, labor disputes or similar causes, KFHPWA will not be liable for administering coverage beyond the limitations of available personnel and facilities.

In the event of unusual circumstances such as those described above, KFHPWA will make a good faith effort to arrange for Covered Services through available Network Facilities and personnel. KFHPWA shall have no other liability or obligation if Covered Services are delayed or unavailable due to unusual circumstances.

K. Utilization Management.

“Case Management” means a care management plan developed for a Member whose diagnosis requires timely coordination. All benefits are limited to Covered Services that are Medically Necessary and set forth in the Plan. KFHPWA may review a Member's medical records for the purpose of verifying delivery and coverage of services and items. Based on a prospective, concurrent or retrospective review, KFHPWA may deny coverage if, in its determination, such services are not Medically Necessary. Such determination shall be based on established clinical criteria and may require Preauthorization.

KFHPWA will not deny coverage retroactively for services with Preauthorization and which have already been provided to the Member except in the case of an intentional misrepresentation of a material fact by the patient, Member, or provider of services, or if coverage was obtained based on inaccurate, false, or misleading information provided on the enrollment application, or for nonpayment of premiums.

V. Financial Responsibilities

A. Financial Responsibilities for Covered Services.

Note: Various Cost Shares may or may not be eligible for determining the Member’s annual Health Savings Account contribution limit. Please contact the Health Savings Account trustee or administrator regarding questions about requirements for Health Savings Accounts.

The employee is liable for the following Cost Shares when services are received by the employee and their Dependents. Payment of an amount billed must be received within 30 days of the billing date. Charges will be for the lesser of the Cost Shares for the Covered Service or the actual charge for that service. Cost Shares will not exceed the actual charge for that service.

1. Annual Deductible.

Note: Covered Services may be subject to an annual Deductible. The annual Deductible amount a Member must pay is determined by whether the Member is a sole Subscriber or has enrolled Dependents.

a. **Subscriber Only Coverage (individual coverage).**

Charges subject to the annual Deductible shall be borne by the employee during each year until the annual Deductible is met.

b. **Family Coverage (coverage for the Subscriber plus one (1) or more Dependents).**

Charges subject to the annual Deductible shall be borne by the Subscriber during each calendar year until the total family annual Deductible is met. The total family annual Deductible can be met by one member or by all family members in combination. Until the total family annual Deductible is met, benefits will not be provided for any family member.

2. Plan Coinsurance.

After the applicable annual Deductible is satisfied, Members may be required to pay Plan Coinsurance for Covered Services.

3. Copayments.

Members shall be required to pay applicable Copayments at the time of service. Payment of a Copayment does not exclude the possibility of an additional billing if the service is determined to be a non-Covered Service or if other Cost Shares apply.

4. Out-of-pocket Limit.

Note: The Member's Out-of-pocket Limit is determined by whether the Member is a sole Subscriber or has enrolled Dependents.

Out-of-pocket Expenses which apply toward the Out-of-pocket Limit are set forth in the Benefits Details section. Total Out-of-pocket Expenses incurred during the same calendar year shall not exceed the Out-of-pocket Limit.

B. Financial Responsibilities for Non-Covered Services.

The cost of non-Covered Services and supplies is the responsibility of the Member. The employee is liable for payment of any fees charged for non-Covered Services provided to the employee and their Dependents at the time of service. Payment of an amount billed must be received within 30 days of the billing date.

VI. Benefits Details

Benefits are subject to all provisions of the Plan. <p>Mail order drugs dispensed through the KFHPWA-designated mail order service.</p>	<p>Member pays the prescription drug Cost Share for each 30 day supply or less</p>
<p>The KFHPWA Preferred drug list is a list of prescription drugs, supplies, and devices considered to have acceptable efficacy, safety and cost-effectiveness. The Preferred drug list is maintained by a committee consisting of a group of physicians, pharmacists and a consumer representative who review the scientific evidence of these products and determine the Preferred and Non-Preferred status as well as utilization management requirements. Preferred drugs generally have better scientific evidence for safety and effectiveness and are more affordable than Non-Preferred drugs. The preferred drug list is available at www.kp.org/wa/formulary, or upon request from Member Services.</p> <p>Members may request a coverage determination by contacting Member Services. Coverage determination reviews may include requests to cover non-preferred drugs, obtain Preauthorization for a specific drug, or exceptions to other utilization management requirements, such as quantity limits. If coverage of a non-Preferred drug is approved, the drug will be covered at the Preferred drug level.</p> <p>Prescription drugs are drugs which have been approved by the Food and Drug Administration (FDA) and which can, under federal or state law, be dispensed only pursuant to a prescription order. These drugs, including off-label use of FDA-approved drugs (provided that such use is documented to be effective in one of the standard reference compendia; a majority of well-designed clinical trials published in peer-reviewed medical literature document improved efficacy or safety of the agent over standard therapies, or over placebo if no standard therapies exist; or by the federal secretary of Health and Human Services) are covered. “Standard reference compendia” means the American Hospital Formulary Service – Drug Information; the American Medical Association Drug Evaluation; the United States Pharmacopoeia – Drug Information, or other authoritative compendia as identified from time to time by</p>	

the federal secretary of Health and Human Services. “Peer-reviewed medical literature” means scientific studies printed in health care journals or other publications in which original manuscripts are published only after having been critically reviewed for scientific accuracy, validity and reliability by unbiased independent experts. Peer-reviewed medical literature does not include in-house publications of pharmaceutical manufacturing companies.

Generic drugs are dispensed whenever available. A generic drug is a drug that is the pharmaceutical equivalent to one or more brand name drugs. Such generic drugs have been approved by the Food and Drug Administration as meeting the same standards of safety, purity, strength and effectiveness as the brand name drug. Brand name drugs are dispensed if there is not a generic equivalent. In the event the Member elects to purchase a brand-name drug instead of the generic equivalent (if available), the Member is responsible for paying the difference in cost in addition to the prescription drug Cost Share, which does not apply to the Out-of-pocket Limit.

Drug coverage is subject to utilization management that includes Preauthorization, step therapy (when a Member tries a certain medication before receiving coverage for a similar, but non-Preferred medication), limits on drug quantity or days supply and prevention of overutilization, underutilization, therapeutic duplication, drug-drug interactions, incorrect drug dosage, drug-allergy contraindications and clinical abuse/misuse of drugs. If a Member has a new prescription for a chronic condition, the Member may request a coordination of medications so that medications for chronic conditions are refilled on the same schedule (synchronized). Cost-shares for the initial fill of the medication will be adjusted if the fill is less than the standard quantity. Please contact Member Services for more information

Specialty drugs are high-cost drugs prescribed by a physician that requires close supervision and monitoring for serious and/or complex conditions, such as rheumatoid arthritis, hepatitis or multiple sclerosis. Specialty drugs must be obtained through KFHPWA’s preferred specialty pharmacy vendor and/or network of specialty pharmacies. For a list of specialty drugs or more information about KFHPWA’s specialty pharmacy network, please go to the KFHPWA website at www.kp.org/wa/formulary or contact Member Services at 206-630-4636 or toll-free at 1-888-901-4636.

The Member’s Right to Safe and Effective Pharmacy Services: State and federal laws establish standards to assure safe and effective pharmacy services, and to guarantee Members’ right to know what drugs are covered and the coverage limitations. Members who would like more information about the drug coverage policies, or have a question or concern about their pharmacy benefit, may contact KFHPWA at 206-630-4636 or toll-free 1-888-901-4636 or by accessing the KFHPWA website at www.kp.org/wa.

Members who have a concern about the pharmacists or pharmacies serving them may call the Washington State Department of Health at toll-free 1-800-525-0127.

Prescription Drug Coverage and Medicare: This benefit, for purposes of Creditable Coverage, is actuarially equal to or greater than the Medicare Part D prescription drug benefit. Members who are also eligible for Medicare Part D can remain covered and will not be subject to Medicare-imposed late enrollment penalties should they decide to enroll in a Medicare Part D plan at a later date; however, the Member could be subject to payment of higher Part D premiums if the Member subsequently has a break in creditable coverage of 63 continuous days or longer before enrolling in a Part D plan. A Member who discontinues coverage must meet eligibility requirements in order to re-enroll.

Exclusions: Over-the-counter drugs, supplies and devices not requiring a prescription under state law or regulations, including most prescription vitamins, except as recommended by the U.S. Preventive Services Task Force (USPSTF); drugs and injections for anticipated illness while traveling; drugs and injections for cosmetic purposes; replacement of lost, stolen, or damaged drugs or devices; administration of excluded drugs and injectables; drugs used in the treatment of sexual dysfunction disorders; compounds which include a non-FDA approved drug; growth hormones for idiopathic short stature without growth hormone deficiency; prescription drugs/products available over-the-counter or have an over-the-counter alternative that is determined to be therapeutically interchangeable

Emergency Services	
<p>Emergency services at a Network Facility or non-Network Facility. See the Definitions section for a definition of Emergency.</p> <p>Emergency services include professional services, treatment and supplies, facility costs, outpatient charges for patient observation, medical screening exams required to stabilize a patient, and post stabilization treatment.</p> <p>Members must notify KFHPWA by way of the Hospital notification line within 24 hours of any admission, or as soon thereafter as medically possible.</p> <p>If a Member is admitted as an inpatient or to Advanced Care at Home directly from an emergency department, any Emergency services Copayment is waived. Coverage is subject to the hospital services Cost Share.</p> <p>If a Member is hospitalized in a non-Network Facility, KFHPWA reserves the right to require transfer of the Member to a Network Facility upon consultation between a Network Provider and the attending physician. If the Member refuses to transfer to a Network Facility or does not notify KFHPWA within 24 hours following admission, all further costs incurred during the hospitalization are the responsibility of the Member.</p> <p>Follow-up care which is a direct result of the Emergency must be received from a Network Provider, unless Preauthorization is obtained for such follow-up care from a non-Network Provider.</p>	<p>Network Facility: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Non-Network Facility: After Deductible, Member pays 20% Plan Coinsurance</p>

<p>Withdrawal Management Services for Alcoholism and Substance Use Disorder.</p> <p>Withdrawal management services means the management of symptoms and complications of alcohol and/or substance withdrawal. The severity of symptoms designates the appropriate level of care and should be determined through a thorough assessment completed by a licensed provider who recommends treatment based on medical necessity criteria.</p> <p>Outpatient withdrawal management services means the symptoms resulting from abstinence are of mild/moderate severity and withdrawal from alcohol and/or other drugs can be managed with medication at an outpatient level of care by an appropriately licensed clinician. Subacute withdrawal management means symptoms associated with withdrawal from alcohol and/or other drugs can be managed through medical monitoring at a 24-hour facility or other outpatient facility.</p> <p>Preauthorization is required for outpatient withdrawal management services and subacute withdrawal management services.</p> <p>"Acute withdrawal management services" mean the symptoms resulting from abstinence are so severe that withdrawal from alcohol and/or drugs require medical management in a hospital setting or behavioral health agency (licensed and certified under RCW 71.24.037), which is needed immediately to prevent serious impairment to the Member's health.</p> <p>Coverage for acute withdrawal management services is provided without Preauthorization. If a Member is admitted as an inpatient directly from an emergency department, any Emergency services Copayment is waived. Coverage is subject to the hospital services Cost Share. Members must notify KFHPWA by way of the Hospital notification line within 24 hours of any admission, or as soon thereafter as medically possible.</p> <p>Member is given no less than two days of treatment, excluding weekends and holidays, in a behavioral health agency that provides inpatient or residential substance abuse treatment; and no less than three days in a behavioral health agency that provides withdrawal management services prior to conducting a medical necessity review for continued care. Members may request Preauthorization for Residential Treatment and non-Emergency inpatient hospital services by contacting Member Services.</p> <p>KFHPWA reserves the right to require transfer of the Member to a Network Facility/program upon consultation between a Network Provider and the attending physician. If the Member refuses transfer to a Network Facility/program, all further costs incurred during the hospitalization are the responsibility of the Member.</p>	
<p>Exclusions: Experimental or investigational therapies, such as wilderness programs or aversion therapy; facilities and treatment programs which are not certified by the Department of Social Health Services</p>	

Telehealth Services	
<p>Telemedicine Services provided by the use of real-time interactive audio and video communications or store and forward technology between the patient at the originating site and a Network Provider at another location. Audio-only communication requires an Established Relationship. Store and forward technology means sending a Member’s medical information from an originating site to the provider at a distant site for later review. The provider follows up with a medical diagnosis for the Member and helps manage their care. Services must meet the following requirements:</p> <ul style="list-style-type: none"> • Be a Covered Service under this SPD. • The originating site is qualified to provide the service. • If the service is provided through store and forward technology, there must be an associated office visit between the Member and the referring provider. • Is Medically Necessary. 	<p>After Deductible, Member pays nothing</p>
<p>Telephone Services and Online (E-Visits) Scheduled telephone visits with a Network Provider are covered.</p> <p>Online (E-Visits): A Member logs into the secure Member site at www.kp.org/wa and completes a questionnaire. A KFHPWA medical provider reviews the questionnaire and provides a treatment plan for select conditions, including prescriptions. Online visits are not available to Members during in-person visits at a KFHPWA facility or pharmacy. More information is available at https://wa.kaiserpermanente.org/html/public/services/e-visit.</p>	<p>After Deductible, Member pays nothing</p>

Exclusions: Fax and e-mail; telehealth services with non-contracted providers; telehealth services in states where prohibited by law; all other services not listed above

Temporomandibular Joint (TMJ)	
<p>Medical and surgical services and related hospital charges for the treatment of temporomandibular joint (TMJ) disorders including:</p> <ul style="list-style-type: none"> • Medically Necessary orthognathic procedures for the treatment of severe TMJ disorders which have failed non-surgical intervention. • Radiology services. • TMJ specialist services. • Fitting/adjustment of splints. <p>Non-Emergency inpatient hospital services require Preauthorization.</p>	<p>Hospital – Inpatient: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Hospital – Outpatient: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Outpatient Services: After Deductible, Member pays 20% Plan Coinsurance</p>
<p>TMJ appliances. See Devices, Equipment and Supplies for additional information.</p>	<p>After Deductible, Member pays 50% coinsurance</p>
<p>Exclusions: Treatment for cosmetic purposes; bite blocks; dental services including orthodontic therapy and braces for any condition; any orthognathic (jaw) surgery in the absence of a diagnosis of TMJ, or severe obstructive sleep apnea; hospitalizations related to these exclusions</p>	

Tobacco Cessation	
<p>Individual/group counseling and educational materials.</p>	<p>No charge; Member pays nothing</p>
<p>Approved pharmacy products. See Drugs – Outpatient Prescription for additional pharmacy information.</p>	<p>No charge; Member pays nothing</p>

Transplants	
<p>Transplant services, including heart, heart-lung, single lung, double lung, kidney, pancreas, cornea, intestinal/multi-visceral, liver transplants, and bone marrow and stem cell support (obtained from allogeneic or autologous peripheral blood or marrow) with associated high dose chemotherapy.</p> <p>Services are limited to the following:</p> <ul style="list-style-type: none"> • Inpatient and outpatient medical expenses for evaluation testing to determine recipient candidacy, donor matching tests, hospital charges, procurement center fees, professional fees, travel costs for a surgical team and excision fees. Donor costs for a covered organ recipient are limited to procurement center fees, travel costs for a surgical team and excision fees. 	<p>Hospital - Inpatient: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Hospital - Outpatient: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Outpatient Services: After Deductible, Member pays 20% Plan Coinsurance</p>

<ul style="list-style-type: none"> • Follow-up services for specialty visits • Rehospitalization • Maintenance medications during an inpatient stay <p>Transplant services must be provided through locally and nationally contracted or approved transplant centers. All transplant services require Preauthorization.</p>	
<p>Exclusions: Donor costs to the extent that they are reimbursable by the organ donor’s insurance; treatment of donor complications; living expenses; transportation expenses except as covered as Ambulance Services</p>	

Urgent Care	
<p>Inside the KFHPWA Service Area, urgent care is covered at a Kaiser Permanente medical center, Kaiser Permanente urgent care center or Network Provider’s office.</p> <p>Outside the KFHPWA Service Area, urgent care is covered at any medical facility.</p> <p>See the Definitions section for a definition of Urgent Condition.</p>	<p>Network Emergency Department: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Network Urgent Care Center: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Network Provider’s Office: After Deductible, Member pays 20% Plan Coinsurance</p> <p>Non-Network Provider: After Deductible, Member pays 20% Plan Coinsurance</p>

VII. General Exclusions

In addition to exclusions listed throughout the Plan, the following are not covered:

1. Benefits and related services, supplies and drugs that are not Medically Necessary for the treatment of an illness, injury, or physical disability, that are not specifically listed as covered in the SPD, except as required by federal or state law.
2. Follow-up services or complications related to non-Covered Services, except as required by federal law.
3. Services or supplies for which no charge is made, or for which a charge would not have been made if the Member had no health care coverage or for which the Member is not liable; services provided by a family member, or self-care.
4. Convalescent Care.
5. Services to the extent benefits are “available” to the Member as defined herein under the terms of any vehicle, homeowner’s, property or other insurance policy, except for individual or group health insurance, pursuant to medical coverage, medical “no fault” coverage, personal injury protection coverage or similar medical coverage contained in said policy. For the purpose of this exclusion, benefits shall be deemed to be “available” to the Member if the Member receives benefits under the policy either as a named insured or as an insured individual under the policy definition of insured.
6. Services or care needed for injuries or conditions resulting from active or reserve military service, whether such injuries or conditions result from war or otherwise. This exclusion will not apply to conditions or injuries resulting from previous military service unless the condition has been determined by the U.S. Secretary of

Veterans Affairs to be a condition or injury incurred during a period of active duty. Further, this exclusion will not be interpreted to interfere with or preclude coordination of benefits under Tri-Care.

7. Services provided by government agencies, except as required by federal or state law.
8. Services covered by the national health plan of any other country.
9. Experimental or investigational services.

KFHPWA consults with KFHPWA's medical director and then uses the criteria described below to decide if a particular service is experimental or investigational.

- a. A service is considered experimental or investigational for a Member's condition if any of the following statements apply to it at the time the service is or will be provided to the Member:
 - 1) The service cannot be legally marketed in the United States without the approval of the Food and Drug Administration ("FDA") and such approval has not been granted.
 - 2) The service is the subject of a current new drug or new device application on file with the FDA.
 - 3) The service is the trialed agent or for delivery or measurement of the trialed agent provided as part of a qualifying Phase I or Phase II clinical trial, as the experimental or research arm of a Phase III clinical trial.
 - 4) The service is provided pursuant to a written protocol or other document that lists an evaluation of the service's safety, toxicity or efficacy as among its objectives.
 - 5) The service is under continued scientific testing and research concerning the safety, toxicity or efficacy of services.
 - 6) The service is provided pursuant to informed consent documents that describe the service as experimental or investigational, or in other terms that indicate that the service is being evaluated for its safety, toxicity or efficacy.
 - 7) The prevailing opinion among experts, as expressed in the published authoritative medical or scientific literature, is that (1) the use of such service should be substantially confined to research settings, or (2) further research is necessary to determine the safety, toxicity or efficacy of the service.
- b. The following sources of information will be exclusively relied upon to determine whether a service is experimental or investigational:
 - 1) The Member's medical records.
 - 2) The written protocol(s) or other document(s) pursuant to which the service has been or will be provided.
 - 3) Any consent document(s) the Member or Member's representative has executed or will be asked to execute, to receive the service.
 - 4) The files and records of the Institutional Review Board (IRB) or similar body that approves or reviews research at the institution where the service has been or will be provided, and other information concerning the authority or actions of the IRB or similar body.
 - 5) The published authoritative medical or scientific literature regarding the service, as applied to the Member's illness or injury.
 - 6) Regulations, records, applications and any other documents or actions issued by, filed with or taken by, the FDA or other agencies within the United States Department of Health and Human Services, or any state agency performing similar functions.

Appeals regarding KFHPWA denial of coverage can be submitted to the Member Appeal Department, or to KFHPWA's medical director at P.O. Box 34593, Seattle, WA 98124-1593.

10. Hypnotherapy and all services related to hypnotherapy.
11. Directed umbilical cord blood donations.
12. Prognostic (predictive) genetic testing and related services, unless specifically provided in the Benefits Details section. Testing for non-Members.

13. Autopsy and associated expenses.

VIII. Grievances

Grievance means a written or verbal complaint submitted by or on behalf of a covered person regarding service delivery issues other than denial of payment for medical services or nonprovision of medical services, including dissatisfaction with medical care, waiting time for medical services, provider or staff attitude or demeanor, or dissatisfaction with service provided by the health carrier. The grievance process is outlined as follows:

Step 1: It is recommended that the Member contact the person involved or the manager of the medical center/department where they are having a problem, explain their concerns and what they would like to have done to resolve the problem. The Member should be specific and make their position clear. Most concerns can be resolved in this way.

Step 2: If the Member is still not satisfied, they should call or write to Member Services at PO Box 34590, Seattle, WA 98124-1590, 206-630-4636 or toll-free 1-888-901-4636. Most concerns are handled by phone within a few days. In some cases the Member will be asked to write down their concerns and state what they think would be a fair resolution to the problem. An appropriate representative will investigate the Member's concern by consulting with involved staff and their supervisors, and reviewing pertinent records, relevant plan policies and the Member Rights and Responsibilities statement. This process can take up to 30 days to resolve after receipt of the Member's written or verbal statement.

If the Member is dissatisfied with the resolution of the complaint, they may contact Member Services. Assistance is available to Members who are limited-English speakers, who have literacy problems, or who have physical or mental disabilities that impede their ability to request review or participate in the review process.

IX. Appeals

Members are entitled to appeal through the appeals process if/when coverage for an item or service is denied due to an adverse determination made by the KFHPWA medical director. The appeals process is available for a Member to seek reconsideration of an adverse benefit determination (action). Adverse benefit determination (action) means any of the following: a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a Member's eligibility to participate in a plan, and including a denial, reduction or termination of, or a failure to provide or make a payment, in whole or in part, for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not Medically Necessary or appropriate. KFHPWA will comply with any new requirements as necessary under federal laws and regulations. Assistance is available to Members who are limited-English speakers, who have literacy problems, or who have physical or mental disabilities that impede their ability to request review or participate in the review process. The most current information about your appeals process is available by contacting KFHPWA's Member Appeal Department at the address or telephone number below.

1. Internal Review

If the Member wishes to appeal a decision denying benefits, they must submit a request for an appeal either orally or in writing to the Member Appeals Department, specifying why they disagree with the decision. The appeal must be submitted within 180 days from the date of the initial denial notice. KFHPWA will notify the Member of its receipt of the request within 72 hours of receiving it. Appeals should be directed to KFHPWA's Member Appeals Department, P.O. Box 34593, Seattle, WA 98124-1593, toll free 1-866-458-5479.

KFHPWA will then notify the Member of its determination within a reasonable period of time but no later than:

- Pre-service claim- 30 days after receipt of your request
- Post-service claim – 60 days after the receipt of your request

Expedited/Urgent Internal Review

There is an expedited/urgent appeals process in place for cases which meet criteria or where the Member's provider believes that the standard 30 day appeal review process will seriously jeopardize the Member's life, health or ability to regain maximum function or subject the Member to severe pain that cannot be managed adequately without the requested care or treatment. KFHPWA will accept a treating provider's determination that an appeal should be expedited/urgent. The Member can request an expedited/urgent appeal in writing to the above address, or by calling KFHPWA's Member Appeals Department toll free 1-866-458-5479. The Member's request for an expedited/urgent appeal will be processed as such if the definition above is met and a decision issued and communicated verbally no later than 72 hours after receipt of the request. If additional information is needed, KFHPWA will inform the Member and allow up to 48 hours for a response.

If the Member is currently receiving care that is the subject of the appeal, the health plan will continue coverage pending the outcome of the internal appeal.

The Member may also request an external review at the same time as the internal appeals process if it is an urgent care situation or the Member is in an ongoing course of treatment.

2. External Review

If the Member is not satisfied with the decision regarding medical necessity, medical appropriateness, health care setting, level of care, or if the requested service is not efficacious or otherwise unjustified under evidence-based medical criteria, the Member may request a second level review by an external independent review organization not legally affiliated or controlled by KFHPWA or the employer's health plan. KFHPWA will notify the Member of the name of the external independent review organization and its contact information. The external independent review organization will accept additional written information for up to five business days after it receives the assignment for the appeal. The external independent review will be conducted at no cost to the Member. Once a decision is made through an independent review organization, the decision is final and cannot be appealed through KFHPWA.

If the Member requests an appeal of a KFHPWA decision denying benefits for care currently being received, KFHPWA will continue to provide coverage for the disputed benefit pending the outcome of the appeal. If the KFHPWA determination stands, the Member may be responsible for the cost of coverage received during the review period.

A request for a review by an independent review organization must be made within 180 days after the date of the initial appeal decision notice.

X. Claims

Claims for benefits may be made before or after services are obtained. KFHPWA recommends that the provider requests Preauthorization. In most instances, contracted providers submit claims directly to KFHPWA. If your provider does not submit a claim to make a claim for benefits, a Member must contact Member Services, or submit a claim for reimbursement as described below. Other inquiries, such as asking a health care provider about care or coverage, or submitting a prescription to a pharmacy, will not be considered a claim for benefits.

If a Member receives a bill for services the Member believes are covered, the Member must, within 90 days of the date of service, or as soon thereafter as reasonably possible, either (1) contact Member Services to make a claim or (2) pay the bill and submit a claim for reimbursement of Covered Services, or (3) for out-of-country claims (Emergency care only) – submit the claim and any associated medical records, including the type of service, charges, and proof of travel to KFHPWA, P.O. Box 30766, Salt Lake City, UT 84130-0766. In no event, except in the absence of legal capacity, shall a claim be accepted later than 1 year from the date of service.

KFHPWA will generally process claims for benefits within the following timeframes after KFHPWA receives the claims:

- Immediate request situations – within 1 business day.
- Concurrent urgent requests – within 24 hours.
- Urgent care review requests – within 48 hours.
- Non-urgent preservice review requests – within 5 calendar days.
- Post-service review requests – within 30 calendar days.

Timeframes for pre-service and post-service claims can be extended by KFHPWA for up to an additional 15 days. Members will be notified in writing of such extension prior to the expiration of the initial timeframe.

XI. Coordination of Benefits

The coordination of benefits (COB) provision applies when a Member has health care coverage under more than one plan. Plan is defined below.

The order of benefit determination rules govern the order in which each plan will pay a claim for benefits. The plan that pays first is called the primary plan. The primary plan must pay benefits according to its policy terms without regard to the possibility that another plan may cover some expenses. The plan that pays after the primary plan is the secondary plan. In no event will a secondary plan be required to pay an amount in excess of its maximum benefit plus accrued savings.

If the Member is covered by more than one health benefit plan, and the Member does not know which is the primary plan, the Member or the Member's provider should contact any one of the health plans to verify which plan is primary. The health plan the Member contacts is responsible for working with the other plan to determine which is primary and will let the Member know within 30 calendar days.

All health plans have timely claim filing requirements. If the Member or the Member's provider fails to submit the Member's claim to a secondary health plan within that plan's claim filing time limit, the plan can deny the claim. If the Member experiences delays in the processing of the claim by the primary health plan, the Member or the Member's provider will need to submit the claim to the secondary health plan within its claim filing time limit to prevent a denial of the claim.

A. Definitions.

1. A plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for Members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate plan.
 - a. Plan includes: group, individual or blanket disability insurance contracts and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), closed panel plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental plan, as permitted by law.
 - b. Plan does not include: hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental plans; unless permitted by law.

Each contract for coverage under Subsection a. or b. is a separate plan. If a plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate plan.

2. This plan means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
3. The order of benefit determination rules determines whether this plan is a primary plan or secondary plan when the Member has health care coverage under more than one plan.

When this plan is primary, it determines payment for its benefits first before those of any other plan without considering any other plan's benefits. When this plan is secondary, it determines its benefits after those of another plan and must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100% of the total allowable expense for that claim. This means that when this plan is secondary, it must pay the amount which, when combined with what the primary plan paid, totals 100% of the allowable expense. In addition, if this plan is secondary, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the primary plan) and record these savings as a benefit reserve for the covered Member. This reserve must be used by the secondary plan to pay any allowable expenses not otherwise paid, that are incurred by the covered person during the claim determination period.

4. Allowable Expense. Allowable expense is a health care expense, coinsurance or copayments and without reduction for any applicable deductible, that is covered at least in part by any plan covering the person. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense that is not covered by any plan covering the Member is not an allowable expense.

The following are examples of expenses that are not allowable expenses:

- a. The difference between the cost of a semi-private hospital room and a private hospital room is not an allowable expense, unless one of the plans provides coverage for private hospital room expenses.
 - b. If a Member is covered by two or more plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit is not an allowable expense.
 - c. If a Member is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an allowable expense.
 - d. An expense or a portion of an expense that is not covered by any of the plans covering the person is not an allowable expense.
5. Closed panel plan is a plan that provides health care benefits to covered persons in the form of services through a panel of providers who are primarily employed by the plan, and that excludes coverage for services provided by other providers, except in cases of Emergency or referral by a panel member.
 6. Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

B. Order of Benefit Determination Rules.

When a Member is covered by two or more plans, the rules for determining the order of benefit payments are as follows:

1. The primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other plan.
2. Except as provided below, a plan that does not contain a coordination of benefits provision that is consistent with this chapter is always primary unless the provisions of both plans state that the complying plan is primary.

Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the plan provided by the employee. Examples include major medical coverages that are superimposed over hospital and surgical benefits, and insurance type coverages that are written in connection with a closed panel plan to provide out-of-network benefits.

3. A plan may consider the benefits paid or provided by another plan in calculating payment of its benefits only when it is secondary to that other plan.
4. Each plan determines its order of benefits using the first of the following rules that apply:
 - a. Non-Dependent or Dependent. The plan that covers the Member other than as a Dependent, for example as an employee, member, policyholder, Subscriber, or retiree is the primary plan and the plan that covers the Member as a Dependent is the secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the Member as a Dependent, and primary to the plan covering the Member as other than a Dependent (e.g., a retired employee), then the order of benefits between the two plans is reversed so that the plan covering the Member as an employee, member, policyholder, subscriber or retiree is the secondary plan and the other plan is the primary plan.
 - b. Dependent child covered under more than one plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one plan the order of benefits is determined as follows:
 - 1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - The plan of the parent whose birthday falls earlier in the calendar year is the primary plan; or
 - If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
 - 2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - i. If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods commencing after the plan is given notice of the court decree;
 - ii. If a court decree states one parent is to assume primary financial responsibility for the dependent child but does not mention responsibility for health care expenses, the plan of the parent assuming financial responsibility is primary;
 - iii. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of a) above determine the order of benefits;
 - iv. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subsection (a) above determine the order of benefits; or
 - v. If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The plan covering the custodial parent, first;
 - The plan covering the spouse of the custodial parent, second;
 - The plan covering the non-custodial parent, third; and then

- The plan covering the spouse of the non-custodial parent, last.
- 3) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the provisions of Subsection (a) or (b) above determine the order of benefits as if those individuals were the parents of the child.
 - c. Active employee or retired or laid-off employee. The plan that covers a Member as an active employee, that is, an employee who is neither laid off nor retired, is the primary plan. The plan covering that same Member as a retired or laid off employee is the secondary plan. The same would hold true if a Member is a Dependent of an active employee and that same Member is a Dependent of a retired or laid-off employee. If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under Section D(1) can determine the order of benefits.
 - d. COBRA or State Continuation Coverage. If a Member whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the Member as an employee, member, employee or retiree or covering the Member as a Dependent of an employee, member, employee or retiree is the primary plan and the COBRA or state or other federal continuation coverage is the secondary plan. If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under Section a. can determine the order of benefits.
 - e. Longer or shorter length of coverage. The plan that covered the Member as an employee, member, employee or retiree longer is the primary plan and the plan that covered the Member the shorter period of time is the secondary plan.
 - f. If the preceding rules do not determine the order of benefits, the allowable expenses must be shared equally between the plans meeting the definition of plan. In addition, this plan will not pay more than it would have paid had it been the primary plan.

C. Effect on the Benefits of this Plan.

When this plan is secondary, it must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal one hundred percent of the total allowable expense for that claim. However, in no event shall the secondary plan be required to pay an amount in excess of its maximum benefit plus accrued savings. In no event should the Member be responsible for a deductible amount greater than the highest of the two deductibles.

D. Right to Receive and Release Needed Information.

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this plan and other plans. KFHPWA may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under this plan and other plans covering the Member claiming benefits. KFHPWA need not tell, or get the consent of, any Member to do this. Each Member claiming benefits under this plan must give KFHPWA any facts it needs to apply those rules and determine benefits payable.

E. Facility of Payment.

If payments that should have been made under this plan are made by another plan, KFHPWA has the right, at its discretion, to remit to the other plan the amount it determines appropriate to satisfy the intent of this provision. The amounts paid to the other plan are considered benefits paid under this plan. To the extent of such payments, KFHPWA is fully discharged from liability under this plan.

F. Right of Recovery.

KFHPWA has the right to recover excess payment whenever it has paid allowable expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. KFHPWA may recover excess payment from any person to whom or for whom payment was made or any other issuers or plans.

G. Effect of Medicare.

Medicare primary/secondary payer guidelines and regulations will determine primary/secondary payer status, and will be adjudicated by KFHPWA as set forth in this section. KFHPWA will pay primary to Medicare when required by federal law. When Medicare, Part A and Part B or Part C are primary, Medicare's allowable amount is the highest allowable expense.

When a Network Provider renders care to a Member who is eligible for Medicare benefits, and Medicare is deemed to be the primary bill payer under Medicare secondary payer guidelines and regulations, KFHPWA will seek Medicare reimbursement for all Medicare covered services.

XII. Subrogation and Reimbursement Rights

- The benefits under this Plan will be available to a Member for injury or illness caused by another party, subject to the exclusions and limitations of this Plan. If the Plan provides for the treatment of the injury or illness, the Plan will be subrogated to any rights that the Member may have to recover compensation or damages related to the injury or illness and the Member shall reimburse the Plan for all benefits provided, from any amounts the Member received or is entitled to receive from any source on account of such injury or illness, whether by suit, settlement or otherwise, including but not limited to:
 - Payments made by a third party or any insurance company on behalf of the third party;
 - Any payments or awards under an uninsured or underinsured motorist coverage policy;
 - Any Workers' Compensation or disability award or settlement;
 - Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
 - Any other payments from a source intended to compensate an Injured Person for injuries resulting from an accident or alleged negligence.

This section more fully describes the Plan's subrogation and reimbursement rights.

"Injured Person" under this section means a Member covered by the Plan who sustains an injury or illness and any spouse, dependent or other person or entity that may recover on behalf of such Member, including the estate of the Member and, if the Member is a minor, the guardian or parent of the Member. When referred to in this section, "the Plan's Medical Expenses" means the expenses incurred and the value of the benefits provided by the Plan for arranging the care or treatment of the injury or illness sustained by the Injured Person.

If the Injured Person's injuries were caused by a third party giving rise to a claim of legal liability against the third party and/or payment by the third party to the Injured Person and/or a settlement between the third party and the Injured Person, the Plan shall have the right to recover the Plan's Medical Expenses from any source available to the Injured Person as a result of the events causing the injury. This right is commonly referred to as "subrogation." The Plan shall be subrogated to and may enforce all rights of the Injured Person to the full extent of the Plan's Medical Expenses.

By accepting benefits under this plan, the Injured Person also specifically acknowledges the Plan's right of reimbursement. This right of reimbursement attaches when this Plan has provided benefits for injuries or illnesses caused by another party and the Injured Person or the Injured Person's representative has recovered any amounts from a third party or any other source of recovery. The Plan's right of reimbursement is cumulative with and not exclusive of its subrogation right and the Plan may choose to exercise either or both rights of recovery.

In order to secure the Plan's recovery rights, the Injured Person agrees to assign the Plan any benefits or claims or rights of recovery they may have under any automobile policy or other coverage, to the full extent of the plan's subrogation and reimbursement claims. This assignment allows the Plan to pursue any claim the Injured Person may have, whether or not they choose to pursue the claim.

If the Injured Person is entitled to or does receive money from any source as a result of the events causing the injury or illness, including but not limited to any liability insurance or uninsured/underinsured motorist funds, the Plan's Medical Expenses are secondary, not primary.

The Injured Person and their agents shall cooperate fully with the Plan in its efforts to collect the Plan's Medical Expenses. This cooperation includes, but is not limited to, supplying the Plan with information about the cause of injury or illness, any potentially liable third parties, defendants and/or insurers related to the Injured Person's claim. The Injured Person shall notify the Plan within 30 days of any claim that may give rise to a claim for subrogation or reimbursement. The Injured Person shall provide periodic updates about any facts that may impact the Plan's right to reimbursement or subrogation as requested by the Plan, and shall inform the Plan of any settlement or other payments relating to the Injured Person's injury. The Injured Person and their agents shall permit the Plan, at the Plan's option, to associate with the Injured Person or to intervene in any legal, quasi-legal, agency or any other action or claim filed.

The Injured Person and their agents shall do nothing to prejudice the Plan's subrogation and reimbursement rights. The Injured Person shall promptly notify the Plan of any tentative settlement with a third party and shall not settle a claim without protecting the Plan's interest. The Injured Person shall provide 21 days advance notice to the Plan before there is a disbursement of proceeds from any settlement with a third party that may give rise to a claim for subrogation or reimbursement. If the Injured Person fails to cooperate fully with the Plan in recovery of the Plan's Medical Expenses, and such failure prejudices the Plan's subrogation and/or reimbursement rights, the Injured Person shall be responsible for directly reimbursing the Plan for 100% of the Plan's Medical Expenses.

To the extent that the Injured Person recovers funds from any source that in any manner relate to the injury or illness giving rise to the Plan's right of reimbursement or subrogation, the Injured Person agrees to hold such monies in trust or in a separate identifiable account until the Plan's subrogation and reimbursement rights are fully determined and that the Plan has an equitable lien over such monies to the full extent of the Plan's Medical Expenses and/or the Injured Person agrees to serve as constructive trustee over the monies to the extent of the Plan's Medical Expenses. In the event that such monies are not so held, the funds are recoverable even if they have been comingled with other assets, without the need to trace the source of the funds. Any party who distributes funds without regard to the Plan's rights of subrogation or reimbursement will be personally liable to the Plan for the amounts so distributed.

If this Plan is subject to ERISA and reasonable collections costs have been incurred by the Injured Person for the benefit of the Plan, under special circumstances, the Injured Person may request and the Plan may agree to reduce the amount of reimbursement to the Plan by an amount for reasonable and necessary attorney's fees *and costs* incurred by the Injured Person on behalf of and for the benefit of the Plan, but only if such amount is agreed to in writing by the Plan prior to settlement or recovery. Otherwise, the Plan has the right to reimbursement from any third party settlement or lawsuit on a first dollar basis, regardless of whether the Injured Person has been made whole for their injuries. To the extent that an Injured Person recovers funds from any source that in any manner relate to the injury or illness giving rise to the Plan's right of reimbursement or subrogation, the funds are considered a plan asset, and the Injured Party is a fiduciary of the plan with respect to the amounts recovered.

To the extent the provisions of this Subrogation and Reimbursement section are deemed governed by ERISA, implementation of this section shall be deemed a part of claims administration under the Plan and the Plan shall therefore have discretion to interpret its terms.

XIII. Definitions

Allowance	The maximum amount payable by the Plan for certain Covered Services.
Allowed Amount	The level of benefits which are payable by KFHPWA when expenses are incurred from a non-Network Provider. Expenses are considered an Allowed Amount if the charges are consistent with those normally charged to others by the provider or organization for the same services or supplies; and the charges are within the general range of charges made by other providers in the same geographical area for the same services or supplies. Members shall be required to pay any difference between a non-Network Provider's

	charge for services and the Allowed Amount, except for Emergency Services, including post stabilization and for ancillary services received from an out of network provider in a network facility. For more information about balance billing protections, please visit: https://healthy.kaiserpermanente.org/washington/support/forms and click on the “Billing forms” link..

Cost Share	The portion of the cost of Covered Services for which the Member is liable. Cost Share includes Copayments, coinsurances and Deductibles.
Covered Services	The services for which a Member is entitled to coverage in the Plan.
Creditable Coverage	Coverage is creditable if the actuarial value of the coverage equals or exceeds the actuarial value of standard Medicare prescription drug coverage, as demonstrated through the use of generally accepted actuarial principles and in accordance with CMS actuarial guidelines. In general, the actuarial determination measures whether the expected amount of paid claims under KFHPWA’s prescription drug coverage is at least as much as the expected amount of paid claims under the standard Medicare prescription drug benefit.
Deductible	A specific amount a Member is required to pay for certain Covered Services before benefits are payable.
Dependent	Any member of an employee's family who meets all applicable eligibility requirements, is enrolled hereunder.
Emergency	The emergent and acute onset of a medical, mental health and wellness or substance use disorder symptom or symptoms, including but not limited to severe pain or emotional distress, that would lead a prudent lay person acting reasonably to believe that a health condition exists that requires immediate medical attention, if failure to provide medical attention would result in serious impairment to bodily function or serious dysfunction of a bodily organ or part, or would place the Member’s health, or if the Member is pregnant, the health of the unborn child, in serious jeopardy, or any other situations which would be considered an emergency under applicable federal or state law.
Essential Health Benefits	Benefits set forth under the Patient Protection and Affordable Care Act of 2010, including the categories of ambulatory patient services, Emergency services, hospitalization, maternity and newborn care, mental health and wellness and substance use disorder services, including behavioral health treatment, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services and chronic disease management and pediatric services, including oral and vision care.
Established Relationship	Member must have had at least one in-person appointment or at least one real-time interactive appointment using both audio and visual technology in the past year, with the provider providing audio only telemedicine or with a provider employed at the same medical group, at the same clinic, or by the same integrated delivery system operated by

	KFHPWA. Or the Member was referred to the provider providing audio-only telemedicine by a provider who they have had an in-person appointment within the past year.
Family Unit	An employee and all their Dependents.
Health Savings Account (HSA)	A tax-exempt savings account established exclusively for the purpose of paying qualified medical expenses and meeting other requirements under federal law.
Health Savings Account (HSA) Qualified Health Plan	A high deductible health plan that meets regulatory requirements for use in conjunction with a Health Savings Account.
Hospital Care	Those Medically Necessary services generally provided by acute general hospitals for admitted patients.
KFHPWA-designated Specialist	A specialist specifically identified by KFHPWA.
Medical Condition	A disease, illness or injury.
Medically Necessary	Pre-service, concurrent or post-service reviews may be conducted. Once a service has been reviewed, additional reviews may be conducted. Members will be notified in writing when a determination has been made. Appropriate and clinically necessary services, as determined by KFHPWA's medical director according to generally accepted principles of good medical practice, which are rendered to a Member for the diagnosis, care or treatment of a Medical Condition and which meet the standards set forth below. In order to be Medically Necessary, services and supplies must meet the following requirements: (a) are not solely for the convenience of the Member, their family member or the provider of the services or supplies; (b) are the most appropriate level of service or supply which can be safely provided to the Member; (c) are for the diagnosis or treatment of an actual or existing Medical Condition unless being provided under KFHPWA's schedule for preventive services; (d) are not for recreational, life-enhancing, relaxation or palliative therapy, except for treatment of terminal conditions; (e) are appropriate and consistent with the diagnosis and which, in accordance with accepted medical standards in the State of Washington, could not have been omitted without adversely affecting the Member's condition or the quality of health services rendered; (f) as to inpatient care, could not have been provided in a provider's office, the outpatient department of a hospital or a non-residential facility without affecting the Member's condition or quality of health services rendered; (g) are not primarily for research and data accumulation; and (h) are not experimental or investigational. The length and type of the treatment program and the frequency and modality of visits covered shall be determined by KFHPWA's medical director. In addition to being medically necessary, to be covered, services and supplies must be otherwise included as a Covered Service and not excluded from coverage.
Medicare	The federal health insurance program for people who are age 65 or older, certain younger people with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD).
Member	Any enrolled employee or Dependent.

XIV. Plan Administration and Legal Rights

About your SPD

The information contained in this booklet, together with your certificates of coverage, certificates of insurance, open enrollment materials, and other explanatory materials constitutes your SPD for purposes of the Employee Retirement Income Security Act of 1974 (see “Your rights under the Employee Retirement Income Security Act of 1974”). The SPD provides highlights of the health benefit plan, (the “Plan”), established pursuant to ERISA by Trident Seafood Corp—the employer and plan sponsor.

The SPD does not create a contract of employment.

Amendment or termination of plan

Trident Seafood Corp, the Plan sponsor, reserves the right to change, suspend or discontinue the Plan in whole or in part at any time, and doesn’t promise to continue any specific level of benefits during or after employment, including during retirement.

Authority of plan administrator

Trident Seafood Corp is the plan administrator of the Plan. Trident Seafood Corp, as plan administrator, has the sole discretionary authority to interpret the Plan and determine eligibility with respect to non-insured benefits, determine the amount of non-insured benefits payable under the Plan, make any related findings of fact, and resolve any ambiguities that may exist between the SPD and the plan documents. All such decisions by the plan administrator will be final and binding on participants and beneficiaries to the fullest extent permitted by law.

Rights of recovery

Benefits under the medical plan are available to cover services or supplies necessary due to illness or injury for which a third party is liable because of negligent or wrongful acts or omissions, subject to the exclusions, limitations and conditions of the plans, including rights related to reimbursement and subrogation.

Reimbursement

If you receive payment as compensation for any condition or injury caused by a third party, the plan has the right to seek reimbursement for any benefits the plan may have paid or provided for that condition or injury. In some cases, the plan may reserve the right to recover the actual amount of reimbursement received; in others, the reasonable value of the reimbursement. (Check with the individual claim administrators for details.)

Your rights under the Employee Retirement Income Security Act of 1974

As a participant in the Trident Seafood Corp Group Health Plan, you have certain rights and protections under the Employee Retirement Income Security Act of 1974, as amended (ERISA). Short-term disability benefits are not protected under ERISA. ERISA provides that all plan participants are entitled to the following rights:

- Examine, without charge, at the plan administrator’s office, and at other specified locations all documents governing the plan including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration
- Obtain, upon written request to the plan administrator, copies of documents governing the plan operation, including insurance contracts, collective bargaining agreements, and copies of the latest annual report and an updated SPD. The plan administrator can charge you a reasonable fee for the copies
- Receive a summary of the plan’s annual financial report. The plan administrator is required by law to provide a copy of this summary annual report to each plan participant
- Continue group health care coverage for yourself and/or your qualified beneficiaries if there is a loss of coverage under the plan as a result of a qualifying event. You or your qualified beneficiaries will have to pay for this coverage. For more details, see the COBRA information

In addition to creating rights for plan participants, ERISA imposes duties on the people who are responsible for the operation of the staff benefit plan. These people, called “fiduciaries” of the plan, have a duty to operate your plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer,

your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

If your claim for a benefit is denied or ignored, in whole or in part, you have a right (within certain time schedules) to:

- Know why this was done
- Obtain copies of documents relating to the decision, without charge
- Appeal any denial.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request, in writing, a copy of plan documents or the latest annual report from the plan and do not receive your copies within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent due to reasons beyond the administrator's control. You may file suit in a state or federal court if you have a claim for benefits that is denied or ignored, in whole or in part, after you have exhausted the applicable appeal procedures. You may file suit in a federal court if you disagree with the plan's decision (or lack thereof) about whether a domestic relations order or a medical child support order is qualified.

You may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court if plan fiduciaries misuse the plan's money, or you are discriminated against for asserting your rights.

The court will decide who should pay court costs and legal fees. If you're successful, the court may order the entity you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees (for example, if it finds your claim is frivolous).

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration at 1-866-444-EBSA (3272).

Notice of privacy practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Review it carefully.

The Trident Seafood Corp Group Health Plan (the "Plan") is an employee benefits plan that provides welfare (non-pension) benefits to eligible staff members and their spouses, domestic partners and dependents. The Plan is a "group health plan" as defined by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). As such, it is a "covered entity" as defined by HIPAA, subject to the requirements of HIPAA with respect to the use and disclosure of your medical information.

Trident Seafood Corp is the "plan sponsor" of the Plan. The Plan is required by law to protect the privacy of your personal information and provide you with this Notice which explains its responsibilities and privacy practices regarding your personal information. The Plan is also required to abide by the terms of this Notice. This Notice is designed to inform you of the Plan's privacy practices in accordance with HIPAA.

In this Notice, the term "personal information" refers to any medical or financial information that can reasonably be used to identify you and relates to your physical or mental health or condition, the provision of health care to you, or the payment for that care. Personal information may include your name, Social Security number, address, telephone number, employment, medical history, health records, claims information, or credit card number.

Use and disclosure of your personal information

The following summarizes the circumstances under which and purposes for which the Plan may use or disclose your personal information:

- **For treatment.** The Plan may use or disclose your personal information for the provision, coordination or management of health care or related services. For example, if you receive your medical care at KFHPWA, information you submit through your Health Profile may be included in your KFHPWA medical record.
- **For payment.** The Plan may use or disclose your personal information for payment purposes. Payment includes activities undertaken by the Plan to obtain premiums, to determine and fulfill its responsibilities for coverage and the provision of benefits under the Plan, or to obtain or provide reimbursement for the provision of health care. For example, payment may include determining benefit eligibility and coordinating benefits with other health plans, reviewing services for medical necessity, paying a claim, performing utilization review, obtaining premiums, subrogating a claim, and collection activities.
- **For health care operations.** The Plan may use or disclose your personal information to carry out its own health care operations, including general administration of the plan. For example, the Plan may use your personal information to review and improve the care you receive, to provide disease and case management, for health plan underwriting, to administer and review a health plan, to conduct medical reviews, and to provide customer service. Health care operations may also include determining coverage policies, business planning, arranging for legal and auditing services, obtaining accreditations and licenses, referrals to a disease management program, suggesting treatment alternatives, projecting future benefit costs or auditing the accuracy of its claims processing functions.
- **To business associates.** The Plan may disclose your personal information to the Plan's business associates. Business associates are persons who, on behalf of the Plan, perform or assist in the performance of a function or activity involving the use or disclosure of personal information described in this Notice. For example, the Plan may contract with a Business Associate to provide the Plan with legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation or financial services. The Plan's business associates must agree in writing to safeguard the confidentiality of your personal information.
- **In legal proceedings.** The Plan may disclose your personal information in response to a court order and in certain cases, in response to a subpoena, discovery request, or other lawful process. Also for law enforcement purposes when required by federal state or local law enforcement.
- **For law enforcement.** The Plan may disclose your personal information to law enforcement officials in limited circumstances for law enforcement purposes. For example, disclosures may be made to identify or locate a suspect, witness, or missing person; to report a crime; or to provide information concerning victims of crimes.
- **As required by law.** The Plan may use or disclose your personal information when it is required to do so by law.
- **For treatment alternatives or distribution of health-related benefits & services.** The Plan may use or disclose your personal information to remind you about preventive health services or to let you know about treatment alternatives, providers, settings of care, or health and wellness products or services that are available for you as a health plan participant.
- **Disclosures to the Plan Sponsor.** The Plan may disclose your health information to Trident Seafood Corp, the Plan Sponsor of the Plan, to carry out plan administration functions performed by the Plan Sponsor on behalf of the Plan. The plan documents have been amended in accordance with federal law to permit this use and disclosure.

The Plan may also disclose "summary health information", if requested by the Plan Sponsor for the purpose of (1) obtaining premium bids from health plans for providing health insurance coverage under the Plan; or (2) modifying, amending or terminating the Plan. Summary health information is information (which may be personal information) from which personal identifiers (except zip code) have been removed, and which summarizes claims history, claims expense or types of claims experienced by individuals for whom the Plan sponsor has provided health benefits under the Plan.

The Plan may also disclose to the Plan Sponsor whether an individual is participating in the Plan.

The Plan **will not** disclose your personal information to the Plan Sponsor for purposes of employment-related decisions or actions, or in connection with any other benefit plan of the Plan Sponsor.

- **To conduct health oversight activities.** The Plan must agree to oversight reviews by federal and state agencies. These agencies may, by law conduct audits, perform inspections and investigations, license health care providers, health plans and health care facilities, and enforce federal and state regulations
- **With an authorized public health authority or their agent** in the event of a serious threat to the health and safety of the public.
- **For specified government functions.** With government benefit programs, like **Medicare** and **Medicaid**, the Plan may use or disclose your personal information in order to review your eligibility and enrollment in these programs. With **armed forces personnel**, the Plan may use or disclose your personal information for military activities and to authorized **federal officials** for national security activities and intelligence purposes.
- **For workers' compensation.** The Plan may use or disclose your personal information to the workers' compensation program which provides benefits to you if you have a work-related injury or illness.
- **For research.** The Plan may use or disclose your personal information for the Plan's or another organization's research purposes provided that certain steps are taken to protect your privacy.
- **For fundraising.** The Plan may use or disclose your demographic information and other limited information such as dates and where health care was provided, to certain organizations for the purpose of contacting you to raise funds for our organization. To direct us not to contact you for this purpose, call Member Services toll free at 1-888-901-4636.
- **To "de-identify" information.** The Plan may use or disclose your personal information in order to de-identify it by removing information that could be used to identify you.
- **In case of threat to health or safety.** The Plan may use or disclose your personal information in order to avoid a serious threat to the health or safety of yourself and others.

Other uses of your medical information

Except in the situations described above, the Plan will use and share your personal information only with your written permission or authorization.

Changes to privacy practices

You have rights regarding personal information that the Plan maintains about you. You may get more information about exercising any of these rights by calling the Privacy Office at 206-630-2131.

- **Request restrictions:** You may request that the Plan limit the way it uses or shares your personal information outside of the Plan.
- **Confidential communication:** You may ask that the Plan contact you at a different address or phone number. The Plan will usually be able to accommodate your request. Please make your request in writing.
- **Inspect and copy:** You may request a copy of your personal information maintained by or for the Plan in a designated record set. The Plan may maintain the following records in a designated record set: enrollment, payment, claims adjudication, care management and other records that are used by the Plan, in whole or in part, to make decisions about you. Such requests must be made in writing. The Plan may charge a reasonable fee for the cost of producing and mailing the copies. In certain situations the Plan may deny your request and tell you why your request has been denied. You have the right to ask for a review of the Plan's denial.
- **Amendments:** You may ask the Plan to correct or amend your personal information maintained by the Plan. Your request for a change to your personal information must be in writing and give a reason for your request. The Plan may deny your request, but you may respond by filing a written statement of disagreement and ask that the statement be included with health plan information.
- **Accounting of disclosures:** You may seek an accounting of certain disclosures by asking for a list of the times the Plan has shared your personal information. Your request must be in writing and give the specific information the Plan needs in order to respond to your request.

- **Notice of privacy practices:** The Plan must send a Notice of privacy practices that describes the use and disclosures of personal information by the health plan to the subscriber. You may ask general questions about this Notice by calling the Privacy Office at 206-630-2131.

Questions and complaints

If you have questions about this Notice or want to file a complaint about the Plan's privacy practices, including the process for breach notification, write to Privacy Officer, Kaiser Foundation Health Plan of Washington, PO Box 9813, Renton, WA 98057-9055.. For more information on how to file a written complaint, call the Privacy Office at 206-630-2131. You may also file a complaint with the Secretary of the U.S. Department of Health and Human Services. The Plan will not retaliate against you if you file a complaint about its privacy practices with the Plan or with the Department of Health and Human Services.

Changes to privacy practices

The Plan may change the terms of this Notice at any time. Any such changes will be effective for all personal information maintained by the Plan. If the Plan changes any of the privacy practices described in this Notice, the Plan will post the revised notice on <http://tsintranet.tridentseafoods.net/>. The Plan may also give you additional information about its privacy practices in other notices it provides. This Notice is effective as of January 1, 2023.

Foreign language assistance

Contact the appropriate claim administrator or the plan administrator if you would like translation services to understand your benefits.

Notice On The Women's Health And Cancer Rights Act Of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998. For individuals receiving mastectomy-related benefits, coverage will be provided by in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of all stages of mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided by the Plan. If you would like more information on these benefits or your rights under this federal law, please contact the Plan Administrator at 206-789-8546.

Notice Of Rights Under The Newborns' And Mothers' Health Protection Act Of 1996

Under federal law, group health plans and benefits such as the Plan's health benefits generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, group health plans may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier. Also, under federal law, plans may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay. In addition, a plan may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, you may under federal law be required to obtain preauthorization before going into a hospital for these services or any other type of services under group health plan coverage.
