## What is covered under my plan?

The GLI policy and riders provide coverage to help with expenses like doctor visits, hospital services, lab/x-ray and surgeries. Coverage varies based on the plan and level selected. Full details of the benefits, limitations and exclusions are contained in each policy.

## When will I get my ID cards?

## How do I find a doctor?

Through the First Health provider network, you have national access to 5,000 physicians and specialists and 15-50% discounts that help stretch your benefit dollars. With the First Health Network, you can find and choose a network doctor based on your review of price, quality, convenience and service measures. You are free to use any provider you choose to access services under the GLI plan; however, when you receive services from a provider who participates in the First Health provider network, you may receive a discount off the total due. This could reduce the amount that you owe after the full GLI benefit has been paid. (First Health network access is not insurance; it is not offered or underwritten by Beazley.) Search for providers online at: [www.firsthealthlbp.com](http://www.firsthealthlbp.com) or call **1-800-226-5116**.
